

## Funds Needed

## Wee Care Attendance Average 54.7 For First Two Weeks Of Operation

Average daily attendance at the Wee Care Day Center for the first two weeks of its operation was 54.7, according to the Salvation Army who operate the Center. The breakdown for the two week period showed 9.6 babies cared for, 20 toddlers

and 25.10 kindergarten age. Some of the children are taken in as early as 5:30 a. m. Breakfast is served at 7:30 and lunch at 11:30. A typical lunch menu consists of meat loaf and gravy, steamed rice, creamed peas, harvard beets, bread, milk and apple sauce.

## Coffee For Fultons

Thurs. 2 to 4 PM

## BC City Park

Candidate for County School Superintendent Robert Fulton and his wife will subject themselves to questions and appraisals at a Coffee at the Clubhouse in the City Park (McDonald) from 2 to 4 P. M.

The 47-year-old Episcopal of Seacrest, his supporters point out is a 40-year resident, and a graduate of its elementary and high schools with BS and MS degrees and post-graduate work in his profession.

Mr. Fulton's 20 years accredited army service and 10 years administrative experience in the County schools, assure his "the tools available" in facilities, equipment, teachers and outlined objectives, his local team believes.

Yours is invited to quench the thirst, meet the candidate and his helpmate, and form your opinion as to his fitness for a most important public position.

Mrs. R. Y. Creech, Jr., Mrs. Jess Livingston and Miss Sara Creech are among the Ladies Committee inviting the public.

## "Red" Miller Died Suddenly At Home Wed. Morning

Glades residents were shocked and saddened by the unexpected death early Wed. morning of Edmond Oren "Red" Miller, 49, a pioneer resident of South Bay.

His wife, Eva Lou Miller, discovered him gasping for breath when she awakened around 4:30 a. m. and ran to a neighbor for help, but death came shortly around 5 o'clock.

He had been in apparent good health despite a record of high blood pressure and during off hours for the past several months had been remodeling the family home and building a home for his sister.

A native of Georgia, Red came to South Bay 32 years ago and has been employed in farming with the State Road Department and was currently employed with Belle Glade Rock Company.

He served one term on South Bay City Council and was a member of South Bay Lions Club. He was affiliated with the Baptist faith.

Survivors in addition to his wife Eva L. Miller, South Bay and one daughter, Mrs. Shirley Edwards of Eau Gallie, include three brothers, Grady L. Miller, West Palm Beach; Clayton Miller and Marvin (Dick) Miller, South Bay; three sisters, Mrs. Verda Higginbottom and Mrs. Reba Hubbard, South Bay, and Mrs. Bertie Bowen, Register, Georgia.

Two grandchildren also survive. Funeral services will be held Friday afternoon at South Bay Baptist Church with Rev. James Penton conducting. Williams Funeral Home is in charge.

**Max Harrell Studies Water Treatment At U. of Florida**

The Commission in their special session also sent the Supervisor of the Water Department Mr. Max Harrell to the University of Florida in Gainesville to attend a short-course concerning the new Water Treatment plant which will soon be installed in the city. South Bay City Administrator William Eggleston, will be in charge of the Water Department while Mr. Harrell is in Gainesville.

**Water Treatment Plant At U. of Florida**

The Commission in their special session also sent the Supervisor of the Water Department Mr. Max Harrell to the University of Florida in Gainesville to attend a short-course concerning the new Water Treatment plant which will soon be installed in the city. South Bay City Administrator William Eggleston, will be in charge of the Water Department while Mr. Harrell is in Gainesville.

**At Tuesday Night Band Parents Meeting, The Band Parents Organization agreed to match this amount so that two students could be sent. Then Mr. Roe Steele agreed to donate to send one student.**

So the organization thought more people would be interested in sending more deserving students to camp. If anyone else is interested in donating this amount they may contact Mr. Steele in the band room. He will have the final decision on those eligible to attend the band camp.

## Governor Appoints Stambaugh To Water Congress

"I am convinced that you can be of great service by representing us (Florida) at the convention," says Governor Farris Bryant, in his letter of appointment to Gleason Stambaugh as a Delegate to the National Rivers and Harbors Congress in Washington on June 2nd to 5th.

"I am proud of the progress made in Florida," wrote the Governor. "However, much remains to be done."

The Congress is composed of delegates appointed by the governors of the fifty states, as well as cities and various groups interested in flood control, navigation, water management and legislation affecting these.

The technical reports and studies, as well as the overall opinion of this group are seriously considered by the National bodies in writing legislation.

Mr. Gleason's many years on the Board of the Port of Palm Beach as well as his service on the Inland Waterways Commission gives him a background of experience important to such a position as the Congress.

## Parents - Get Help To Help Your Child With Registration

A registration orientation for students will be held at 7:30 Monday and Tuesday evenings April 27 and 28, at the high school cafeteria.

Students will be given registration information on Monday to take home and plan from the end of courses offered their schedule for next year.

The Monday night meeting will be for parents of students in grades 8 and 9, and Tuesday night for parents of students currently enrolled in grades 10 and 11.

Parents are urged to attend these discussion classes to enable them to assist their child in course selections.

**Tangible Tax On Baby Chicks Is Surely Legal**

"The Tax Assessors office is generally acknowledged to be the most vital post in Palm Beach County Government," Candidate Richard A. Carpenter reminded. "The conduct of that office can make or break Palm Beach County."

"The door will be open to everyone, and we will insist that every visitor to the tax assessor's office be treated as we would treat a guest in our own home."

"Further evidence that courtesy is non-existent in the offices of tax assessor Edgar Maxwell," says Mr. Carpenter, "is seen in the fact that highly-respected tax collector Sietson Sproul has refused to engage in further conversation with Maxwell, and he now requires that all communication between the two tax offices be limited to written memoranda."

The Mayor of Lake Worth, in his candidacy, points to the progress of his City under his tenure of office, and belabors who he terms the "no-policy policy" of the incumbent.

He says "Maxwell made up the 'difference' in revenue by raising the tangible tax evaluation on newly hatched baby chicks."

The candidate further states his "administrative abilities are a matter of public record."

Mr. Carpenter implies "the absolute necessity for responsible administration of an established, equitable program of taxation, and by (one) who is completely qualified to do that job."

## Cost Of Living Wage Adjustment To City Employees

City Manager Hugueny reported to the Commission the adjustment necessary to bring City employees' wage scales to the 1964 "cost of living" level effective April 28th.

The present scale was set in '58-59, and has not been adjusted since that date. The adjustment figure is reported as 7.7%.

## Two County Engineers To Be Honored May 7

A ceremony set for May 7 at 3 p. m. will honor two former Palm Beach County engineers.

At that time, portraits of J. M. Boyd, long time county engineer and later Town Manager in Palm Beach and the late Steve Middleton will be unveiled and hung in the county engineers office in the court house.

The ceremony is being arranged by the Palm Beach County Chapter of the Florida Engineering Society.

Three contestants out of an estimated near 10,000 suggested "SunFlavor" in some form, and each was rewarded from a fund begun by Commissioner Doyle.

Commissioner Doyle Corner (standing right) auctioned off a crate of "South Bay" sweet corn, Thursday at the Spring Harvest Festival, the proceeds to go to the Festival's charities. Sam Senter was the successful bidder for \$315 for the five-dozen-ear crate. Five Glades groups are licensed by the Commissioner to use SunFlavor labels on sweet corn. L to R bottom — Lewis Friend of Pahokee, Roy Segre of South Bay Growers, Luke Frazier of Vann Co. of Pahokee, Big Hat Sam Senter of Sambo, Fritz Stein for Lake Shore Growers and Roy Vandegriff of V-W Farms. These five have licenses.

## \$14,890,000 Farmer Credit By FPCC

Four hundred eighty-three farmer-owners of Production Credit of Miami have furnished crop and capital financing to fellow members in lower east coast counties from Indian River south to Monroe, with Okeechobee a neighborly participant, to the tune of \$14,890,000 in probably the most diversified table-to-table items of production in a comparable area of the Farm Credit Administration.

There's meat, milk, sugar and three-score-plus table vegetables; there's shrubbery and flowers — the usual, the tropical, the exotic; there's fruits—the tropical substitutes for the apple, peach, plum and fig — citrus, and some native to subtropical climates.

Sponsored, and nurtured to financial maturity by a governmental agency, the Miami FPCC has no financial entanglements.

**School Bible Reading Made "Constitutional" In Geo. Smathers' Bill**

Senator George Smathers' Newsletter announces, that Florida's Junior Senator has introduced a joint resolution providing for a "constitutional amendment to safeguard school prayers, Bible reading and reference to reliance upon God in our nation's public schools and public affairs."

The Senator calls attention to the fact that the same Baltimore mother who got the Supreme Court to outlaw prayer and Bible reading in public schools, is making an all-out effort to eliminate the words "under God" from the National Pledge.

The Senate and the House go contrary to the Supreme Court's edict each time they meet; the Chaplains in the Military Services could be next.

## Donations Made For Band Students To Attend Camp

So impressed by the recent concert given by the Belle Glade High School Band were Mr. J. P. Halbrook and Mr. N. Halbrook that they contacted Mr. Fred Stevens, Bandmaster and said they would like to make a donation for an award for a deserving band student. Mr. Stevens told them for \$50 a band student could be sent to band camp for one week at the University of Florida in Gainesville, to which the Halbrooks agreed.

At Tuesday night Band Parents meeting, The Band Parents Organization agreed to match this amount so that two students could be sent. Then Mr. Roe Steele agreed to donate to send one student.

So the organization thought more people would be interested in sending more deserving students to camp. If anyone else is interested in donating this amount they may contact Mr. Steele in the band room. He will have the final decision on those eligible to attend the band camp.

### Bolands Attend Graduation Of Mrs. Story At FSU

The Rev. and Mrs. W. R. Boland spent last weekend with their daughters, Sally Ann, who attends University of Florida in Gainesville and Mrs. Charles Story at Florida State University, Tallahassee.

After a short visit in Gainesville the three went on to Tallahassee to attend the graduation exercises at FSU, at which time Mrs. Story received her B. S. degree. The Bolands were the guests of Mr. and Mrs. Glad Story while there. Sally Ann returned home with her parents and will go back Sunday to Gainesville.

## WHY DON'T YOU TURN THE BRIGHT SEARCHLIGHT OF TRUTH ON THE REAL REASONS MY OPPONENTS ARE in this Race for County Commissioner?

- ANDREW'S SAYS:**
- "Count on past performance . . . NOT promises!"
  - "Cooperative effort WILL OPEN Military Trail to South County Line!"
  - "Let's spend COUNTY TAX MONIES with LOCAL BUSINESS FIRMS and PEOPLE!"
  - "Civil Service or equivalent for QUALIFIED COUNTY EMPLOYEES!"
  - "Equal ADVANCEMENT and PAY opportunities for QUALIFIED COUNTY WOMEN EMPLOYEES!"
  - "Let's give local folks FIRST OPPORTUNITY at HIGHER PAYING COUNTY JOBS!"
  - "Cooperative effort WILL OPEN I-95 to South County!"
  - "Let's ELECT a man KNOWN and RESPECTED by COUNTY and MUNICIPAL REPRESENTATIVES!"
  - "Let's ELECT a man dedicated to the PEOPLE, not his own business promotions or interests!"
  - "Let's ELECT a man whose PROVEN ABILITY WILL BRING DIGNITY and TRUST to County affairs."

### Ex-Marine Seeks O'Connell's Job When He Retires

Former FBI Agent, ex-marine and practicing attorney Fred Hope is offering for the democratic nomination as State Attorney, the position being relinquished by Phil O'Connell when his term expires.

Mr. Hope points out that he has handled over 800 criminal cases for the State of Florida and this experience coupled with his FBI service fits him professionally for the position.

There is only one job at present open, as the district covered by the 15th Judicial Circuit includes Broward County. There are several candidates from Broward County.

However, a constitutional amendment to be voted on in the general election, provides for two districts — Palm Beach in one and Broward County in the other; thus necessitating two State Attorneys.

The Governor's appointive power will come into play, and certainly the leading candidate from Palm Beach County will have the Governor's consideration as the choice of the people.

### "W. P. Franklin Lock" Proposed by Rogers

Congressman Paul G. Rogers has introduced into the U. S. House of Representatives a bill which would name a navigation lock and water canal after longtime Florida resident W. P. Franklin of Fort Myers.

In so doing, Rogers said that "this long time pioneer resident of Fort Myers are giving of his time and energy to the promotion of the State of Florida through continuous efforts to secure development of extensive waterway and water control works through and around the State at large."

Franklin was part of the initial effort which secured funds for the construction of the Okeechobee Waterway and the hurricane protective levees around Lake Okeechobee. Much of the work he pioneered contributed to the rapid economic development of the State. Rogers felt this certainly is a deserving tribute to one of Florida's truly outstanding citizens.

### Sawgrass League Bill's Shell Service is still in first place with 72 points, followed by Sugarland Chemicals with 70.

Sons 60, and Gressinger & Sons 56. Games of 200 or better for Okeechobee were rolled by Marian Chapman of K. Chapman & Sons 233, Curtis Slade of Badcock Furniture 230 and 200, Ted Veno of Veno Construction Co. 214, Leon Brady of Gorham Coastal Motors 213, Russ Miller of Bill's Shell Service 211, Robert Brownell of Sugarland Chemicals 207, and James Caldwell, Jerry Crawlwell, and Leslie James, all of Gressinger & Sons, 206, 205 and 205, respectively.

## Public Utilities Commission Duties Legislative, Executive, Judicial

Chairman Mason gave Belle Glade Rotarians an exposition of the duties and workings of the Florida Public Utilities Commission recently.

We believe every household is affected by knowledge of the job, integrity and force of the Commission and offer his guests as gratification, coming from an important public official.

One hundred eight-eight years ago the seed of freedom and

became chairman of the commission.

In addition to gas and electric utilities, the commission also has jurisdiction over telephone and telegraph companies, railroad and related carriers, motor carriers by truck and water and sewer utilities in the counties of Broward, Palm Beach, Osceola, Orange and Santa Rosa.

THE FUNCTION OF THE FLORIDA PUBLIC UTILITIES COMMISSION IS TO MAINTAIN IN THE BOARD PUBLIC INTEREST REGULATIONS OF THE UTILITIES UNDER ITS JURISDICTION. UNDER JUST FOR SOME SPECIAL GROUP OR GROUPS.

Keeping this purpose in mind what has been the influence of the last decade of regulation? WHAT HAS YOUR COMMISSION ACCOMPLISHED?

The decisions and philosophies of the Florida Commission have received NATION-WIDE RECOGNITION AND APPROVAL for their stability and realistic approach to the many problems of regulation.

This stable and realistic regulation has enabled the public utilities in Florida to . . .

Expand their service capacities far beyond the national rate.

Maintain reasonable rates in the best interest of the people of Florida.

Benefit the consumer by lowering rates in spite of the tremendous growth.

It is no secret that Florida is one of the fastest growing states in the nation.

Population, which in 1961 was about 8 1/2 million, and now 9 3/4 million, is estimated will reach 10 million in 1970, just a scant 6 years away.

More than a thousand families move to and establish their residence in the Sunshine State every week (22 persons each hour).

New industries and businesses account for more than 22,000 additional jobs annually.

New sugar plants (10 new in 1964).

Tourism has reached an important year-round proportion and Florida can no longer be accurately portrayed as a seasonal state.

In addition to the growth and development which is the result of Florida's many natural resources and advantages, there is Cape Kennedy with the expenditure of hundreds of millions of dollars for space exploration to be made during the next ten years.

To keep pace with this growth, Florida and the people of Florida

th, Florida power producers increased their total generating capabilities by 400% compared with the national increase of 150%. The production of electrical power rose 251% between 1950 and 1960 while the national increase for the same period was just 119%. Telephone subscribers have increased in Florida FROM 235,000 TO OVER 2 MILLION.

Prior to 1939, ONLY TWO cities in Florida were served with natural gas. Today, 47 cities are served.

The capital was able to provide the utilities to meet this great growth has been high.

Between 1951 and 1961, the utilities operating under the public utilities commission invested ONE BILLION EIGHT HUNDRED MILLION DOLLAR in additional facilities and equipment.

This amount was almost DOUBLE what the investment had been in ALL of Florida's history prior to 1951.

Just four of the utility companies in our state will invest more than ONE BILLION DOLLARS in Florida during THE NEXT FIVE YEARS!

So you can see that great efforts are being made to insure that you will have the service you need from your utilities. Our rates for utilities in Florida compare favorably with those of other states.

To give you just one example in the matter of telephone rates, during the period 1953-1963, Southern Bell reduced local service rates by FOUR TENTHS OF ONE PER CENT.

We have effected reductions in utilities and transportation rates which are saving Florida consumers about \$15 MILLION ANNUALLY.

Additional 10 million FP & L gross revenue reductions.

The adoption of broad safety rules and regulations and an intensive enforcement campaign have SAVED ADDITIONAL MILLIONS in transportation costs.

During the 1963 session of the Legislature, your commission was given the GREATEST VOTE OF CONFIDENCE EVER RECEIVED BY THIS COMMISSION. The budget required by this commission to hire the necessary people to do the job and to keep abreast of this growth was approved in its entirety. We are in the process of hiring additional engineers, rate and tariff people, and accountants, and have been placed in a better position now to properly represent the State of Florida and the people of Florida.

da in this field than we have ment of the Florida Public Utilities Commission 16 years ago.

## Jet-smooth Luxury Chevrolet makes roads feel as smooth as the maps they're printed on

Run your finger over a map and find yourself a place to go. That's a preview of how it feels to get there in a Chevrolet.

We've put what we think is the best suspension system in a class under this great highway performer. A big husky coil spring at each wheel and double-action shock absorbers to soak up bumps. Over 700 sound deadeners throughout the chassis and that spacious Boly by Fisher to blot out noise from road and wind.

There's a lot of other Jet-smooth luxury, too. FOR THE GREAT HIGHWAY PERFORMER

Wide seats with foam-cushioning front and rear. Luxurious wall-to-wall deep-twist carpeting (this year it comes with even the lowest priced Buick). A choice of seven great engines, all precision-balanced for smoother running, with four smooth-shifting transmissions to match. Everything that makes Chevrolet the great highway performer it is. So get out those road maps. And wherever you go, get off to a good start—during Trade-In 'N' Travel Time at your Chevrolet dealer's.

## May 2 36 Memorial Hospital Benefit Dance

May 2nd from ten till two, Xi Beta Gamma Chapter of Beta Sigma Phi is sponsoring a dance, an invitation only, which will benefit the Belle Glade Memorial Hospital.

Neil Smith, and his piece band will provide the music. Mr. Smith has lived in the Palm Beaches since 1936, and is well known for his capable performance in music circles. Members of Xi Beta Gamma Chapter are happy to announce his acceptance of their invitation to play for this gala benefit.

## Veterans Short-Changed In Pensions

Melvin T. Dixon, Director of the Department of Veterans Affairs for the State of Florida, announced today that the house veterans affairs committee of the U. S. Congress, under the chairmanship of Olin E. Teague, Democratic Congressman of Texas, is quite concerned about a study made by the Veterans Administration which points out that there are hundreds of thousands of veterans and widows who are receiving payments under the old law, but have not elected to receive it.

Dixon says it is recognized that it would not be to the advantage of all of these cases to change to the new law, but Dixon urges that all veterans and widows driving benefits under the old VA pension law seek advice from their veteran county service office, or by writing to Dixon direct. Dixon said he is concerned about these several thousand low income veterans and widows listed in the report who are entitled to greater payments but for some reason have hesitated to add to their economy by the additional payments under the existing law.

Dixon says that he would welcome inquiries from all veterans and widows on this subject at P. O. Box 1437, St. Petersburg.

Various reasons were found but the most common and obvious ones were the claimant's fears and misunderstanding of the law. In a number of cases, this was found to be due to adverse rumors and remarks they had heard about the law at some veteran's gatherings, and specific cases were found where ill-advised.

Dixon said the Veterans Administration states that as of this date, as per a recently completed study of the Veterans' and widows' latest income tax returns, reports show that of those still receiving benefits under the old law.

Dixon said the Veterans Administration states that as of this date, as per a recently completed study of the Veterans' and widows' latest income tax returns, reports show that of those still receiving benefits under the old law.

## NEGRO NEWS

### Commission Hires School Police Woman

The City of South Bay hires Mrs. Welma Williams as Police Woman of South Bay's School Zone. Mrs. Williams makes the First School Patrolman for either South Bay school zone. Mrs. Williams duties will be to patrol the Roosevelt School traffic area during school hours.

### Pvt. Olson Givins Assigned To 82d Airborne Division

Army Pvt. Olson Givins, 23, son of Luke Givins, 640 S. W. Avenue D, Belle Glade, Fla., was assigned to the 82d Airborne Division at Fort Bragg, N. C., April 10.

A rocket crewman in Battery B of the division's 377th Division Artillery, Givins entered the Army in October 1963 and received basic training at Fort Jackson, S. C. He was last stationed at Fort Benning, Ga.

Givins is a 1959 graduate of Lake Shore High School and was employed by the American Roof and Slab Company in Miami, before entering the Army.

Pvt. Geo. E. Golden, Jr. 7th Art. 4. Miss Bat. Army Pvt. George E. Golden, Jr., whose wife, Foreline, lives in Bean City, Fla., was assigned to Headquarters Battery of the 7th Artillery's 4th Missile Battalion, a Nike-Hercules missile unit at Bergstrom Air Force Base, Tex., April 10.

This unit, part of the nationwide U. S. Army Air Defense Command, provides all defense in the Austin, Tex., area. Golden a truck driver in Headquarters Battery, entered the Army last January and received basic training at Fort Jordan, Ga.

The 22-year-old soldier was graduated from Lake Shore High School, Belle Glade, in 1961, and was employed as a truck driver by Glade Sugar House, Belle Glade, before entering the Army.

Clark, who arrived in Panama in September 1963, is regularly stationed at Fort Detrick, Canal Zone, as a mortar runner in Company C of the 10th Infantry's 4th Battalion.

He attended Lake Shore High School in Belle Glade and worked at the Delany Food Plant in Fruitland, Md., before entering the Army.

His father, Ernest L. Clark, lives at 648 S. W. Avenue D, Belle Glade.

## Troop No. 281 Has Hobby Day

Troop No. 281 of Junior Girl Scouts met in Jamison Hall on April 13th with a special event for the day—displaying of hobbies. The hobby show was of interest to many of friends and acquaintances who came to see the many arrangements.

Interesting hobbies of the girls was collection of postcards, shells, coins, stamps, puppets, recipes, buttons, spoons, and many other items. This was done in order to meet one of the requirements of the Collector's badge. Also girls working on the badge of drawing and drawing displayed some of their art work in posters and finger painting.

The girls working on their Sewing badge had some of the garments and items which they have made exhibited in order to pass their badge. Girls working on the Cook badge served some delicious and a variety of cakes with punch.

Since one of the leaders, Miss Jane Young, will be leaving this next week, the girls presented her with a small remembrance and combined Badge day with

**Sundown League**  
Case Rate in 1st place with 75 pts; E. T. Dioguardo 2nd with 72 and Glades Drug 3rd with 70. Glades Drug rolled high team set 1577 and high team game 584; Case rate rolled 1707-578 for second high set and game. Winning high game and set in individual play were Eileen Lindrose 168-471; Jerry Robinson 165-447; Martie Hayes 167-430.

Dixon says that he would welcome inquiries from all veterans and widows on this subject at P. O. Box 1437, St. Petersburg.

## Meet... ROBERT FULTON

Candidate for School Supt. and Mrs. Robert Fulton

at a WELCOMING COFFEE

Thursday, April 23 - 2-4 P. M.  
Clubhouse - City Park, Ave. E & Main

—Everybody Welcome—

## In Service

Pvt. Charles H. Mann, who has been visiting his parents Mr. and Mrs. Arthur Mann on a 14 day leave has reported for duty at his new assignment at Fort Sam Houston, Texas and is now attending Medical training school.

Pvt. Mann, a graduate of Belle Glade High School completed his basic training at Fort Gordon, Ga.

Pvt. Roy L. Tull, son of Mr. and Mrs. Charles L. Tull, Clewiston, Fla., completed a 15-week radio teletype operation course April 17 at the Army Southwest Western Signal School, Fort Gordon, Ga.

Tull was trained to use radio transmitters and receivers and teletypewriter equipment using both voice and Morse Code. The 23-year-old soldier entered the Army in October 1963 and completed basic combat training at Fort Gordon. He is a 1960 graduate of Clewiston High School.

## Wednesday Services Held For Pedro Vazquez

Pedro Vazquez, 62, of N. W. Ave. L, Belle Glade died Friday. He was survived by his wife Cecelia, six sons, three daughters, and two brothers. Funeral services were conducted at 10 a. m. at St. Philip Catholic Church, Belle Glade at 10 a. m. Wednesday.

William Funeral Home was in charge of arrangements.

## Jimmy Webster Honored At Ft. Jackson

Private E. J. Jimmy W. Webster, was honored as the Outstanding Trainee of the General Supply Course at Fort Jackson during the period of Feb. 10 to March 26, 1964. The presentation was made by Colonel William Humphrey, Commanding Officer, Fourth Training Brigade.

"Private Webster is a credit to his family and to the United States Army. I hope his future service in the Army will be as rewarding and successful as was his tour at Fort Jackson," Major General Charles S. D'Onofrio, U. S. A. Commanding Officer wrote Mrs. Loraine T. Webster, mother of Jimmy, who is a member of the local National Guard.

Marine Private Edwin C. Nestor, son of Mrs. Myrtle D. Nestor, of 235 Northeast First St., Belle Glade, Fla., is scheduled to complete recruit training April 7, at the Marine Corps Recruit Depot, Parris Island, S. C.

The training includes drill, bayonet training, physical conditioning, parades and ceremonies and other military subjects. Three weeks are spent on the rifle range firing the M-14 rifle and other infantry weapons.

Recruit training prepares Marines for further specialized training in a service school or with a unit of the Fleet Marine Force. They will report to Camp Lejeune, N. C., for combat infantry training.

Pvt. Melvin R. Lee, 22, son of Mrs. Hilda Lee, Lake Harbor, Fla., completed an eight-week advanced infantry course at the U. S. Army Training Center, Fort Gordon, Ga., April 17. Lee received instruction in the various phases of highly technical skills his future work in the Army will require of him as an infantryman. He entered the Army last December and completed basic training at Fort Benning, Ga.

Lee is a 1959 graduate of Lake Shore High School and was employed by the American Roof and Slab Company in Miami, before entering the Army.

Pvt. Geo. E. Golden, Jr. 7th Art. 4. Miss Bat. Army Pvt. George E. Golden, Jr., whose wife, Foreline, lives in Bean City, Fla., was assigned to Headquarters Battery of the 7th Artillery's 4th Missile Battalion, a Nike-Hercules missile unit at Bergstrom Air Force Base, Tex., April 10.

This unit, part of the nationwide U. S. Army Air Defense Command, provides all defense in the Austin, Tex., area. Golden a truck driver in Headquarters Battery, entered the Army last January and received basic training at Fort Jordan, Ga.

The 22-year-old soldier was graduated from Lake Shore High School, Belle Glade, in 1961, and was employed as a truck driver by Glade Sugar House, Belle Glade, before entering the Army.

Clark, who arrived in Panama in September 1963, is regularly stationed at Fort Detrick, Canal Zone, as a mortar runner in Company C of the 10th Infantry's 4th Battalion.

He attended Lake Shore High School in Belle Glade and worked at the Delany Food Plant in Fruitland, Md., before entering the Army.

His father, Ernest L. Clark, lives at 648 S. W. Avenue D, Belle Glade.

## Winning three classes in the Mobil Economy Run is easy if you have a great transmission.

CLASS C*	MILES PER GALLON	CLASS D*	MILES PER GALLON	CLASS G*	MILES PER GALLON
BUICK Special V-6	25.25	BUICK Special V-8	22.74	BUICK LeSabre	21.36
CAR L	23.46	CAR G	19.24	CAR FF	17.48
CAR M	23.29	CAR R	22.34	CAR HH	17.87
CAR N	23.53	CAR S	21.98	CAR GG	17.86
CAR O	23.24	CAR T	22.40	CAR JJ	20.10
CAR P	25.24	CAR U	19.99	CAR KK	19.85

\*Intermediate Size Six Cylinder Cars

†Intermediate Size Eight Cylinder Cars

†Full Size Eight Cylinder Cars, Medium Price

An automobile transmission, we grant you, isn't the most noticeable part of a car. Nothing to look at either. But if you'd like for your new car to give you a better drive on performance and gas mileage, something happened last week to be your guide.

The Los Angeles to New York Mobil Economy Run proved one thing for sure. There's quite a difference in the transmissions of new cars.

Three out of four for Buick

The long-time champion in the transmission league—Buick—walked away with the 1964 economy pendant. No other single make of car won as many events as Buick. Four entries, three winners.

The winning Special carried the new Super Turbine 300 automatic in first place. The LeSabre was equipped with the Super Turbine 300 (both optional at extra cost). They're the leaders on a long line of Buick transmissions well known for their smoothness, shift, and "shift-free." The Super Turbine is a refined and improved torque converter type to help you safely pass cars.

You'll hear a lot about it in the next couple of years as this modern kind of transmission is adopted by more and more car builders.

What about engines?

Of course, an efficient transmission gets more efficient when teamed up with a good engine. The winning Buick power plants were our new V-6 and V-8.

The 300 cubic inch V-6 in the winning Buick Special (the lowest priced of all Buicks) and the Buick LeSabre (the lowest priced Buick) is like a well-conditioned athlete. All muscle, no fat. Weighs in at far less than other V-8's of similar power. Break every other V-8 in the Economy Run.

Your type of driving—retailing gas. The Buick was through cities and towns, across super highways, in traffic, out of traffic, and on the highway. It was a proving ground driving. This was your time to shine. You can expect to get as good mileage as these expert drivers in their finely tuned production cars.

The distance was 3,243 miles, about what most families log in four months. All three Buicks used regular gas. The Economy Run is a true test of a country car for the Mobil people and a car built. It's a reliable run of a car's power team and what it's able to squeeze out of its fuel.

We don't expect everybody to rush out this weekend to buy a new Buick just because we won a few economy trophies. There are so many other good reasons for leaving to Buick that economy usually gets second billing. There's getting, naturally. An unusually great ride. Enthusiastic engineering and workmanship. And very young performance. Still, wonder Buick sales are running at 11.54 over last year.

But it's nice to get economy as a plus in a Buick. Beyond the dollars saved on gasoline, there's a certain pride in knowing you have a car that's built to get the most out of every tank of gasoline.

Wouldn't You Really Rather Have a Buick?

## Church Of God Revival Underway

A revival is underway at the Church of God, according to Rev. Madison W. Sledge, pastor. Rev. Thomas B. Sledge, evangelist is conducting the revival.

Rev. Sledge is a native of Hartford, Conn., and of Roman Catholic parentage. At his mother's death, ten years ago he left Hartford and came to Clearwater, Fla., where he now makes his home. The evangelist accepted Jesus Christ six years ago in a Baptist Church and since that time, he has been filled with the Holy Spirit and attended Florida Baptist Institute in St. Petersburg.

Rev. Sledge announced the revival began Sunday night and will continue through Sunday night. Rev. Sledge has a very unusual and thrilling testimony combined with an inspiring message, which is certain to benefit everyone. The general public is invited to attend the services which begin nightly at 7:30 p.m.

REV. THOMAS B. SLEDGE  
EVANGELIST

## "Sermon On The Mount" Topic of Circle

Mrs. F. E. Hollingsworth was hostess to the Mary-Ruth Circle of Woman's Society of Christian Service of Community Methodist Church Wednesday afternoon at 2:30 p.m. with 15 attending.

Mrs. George Farnall gave the devotion with selective passages from "The Sermon on the Mount." The program was presented on "Recruitment, A Concern of the Whole Church" by Mrs. A. S. Brannon, assisted by Mrs. N. T. Taylor, and discussed.

## Churches of Christ Scientist

A Bible Lesson on "Prophetic Revelation" will be heard at Christian Science churches next Sunday. A major theme of the Lesson will be brought out in these readings: "Work out your own salvation with fear and trembling. For it is God which worketh in you both to will and to do of his good pleasure..." That ye may be blameless, and harmless, the sons of God (Phil. 2).

This task God demands us to accept lovingly today, and to abandon so fast as practical the material, and to work out the spiritual which determines the outward and actual (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 254).

**the Bible speaks to you**  
CHRISTIAN SCIENCE RADIO SERIES  
"YOU DON'T HAVE TO BE AFRAID"

**TODAY'S Meditation**  
Read Acts 16:23-34  
Therefore being justified by faith, we have peace with God through our Lord Jesus Christ. (Romans 5:1).  
When I visited a sick person in the hospital, we talked about the sickle of life. He had a moving business, and he told me about what happened to him once in relation to his work.  
He said, "I was to move the household furnishings for a civil engineer from his home in Norway to his future home in Sweden. The customs officer in Norway told me the papers were in order. But when we arrived at the customs office in Sweden, I was shocked to learn that the papers were not in order. I was delayed one whole day in returning to Norway. So you see," he concluded, "it is very important to have the papers in order when crossing the border."  
There was a serious look in the man's eyes as he closed his story. I asked him, "What does it mean to have the papers cleared when one is to cross the last border?"  
His answer was "It means to have been justified by faith in Jesus Christ."  
PRAYER: O God of grace and glory, we offer to Thee our gratitude for Thy plan of redemption for us. Help us to live by faith and to be thankful that by Thy grace salvation is offered to us through Christ, Thy Son. In His name we pray. Amen.  
THOUGHT FOR THE DAY  
Our faith, Christ's forgiveness, and God's mercy admit us into the Kingdom of heaven.  
Hans Lønner (Norway)

## Annual Convention Episcopal Diocese Of S. F. In Session

The Episcopal Bishop of Panama is the guest speaker at the 42nd Annual Convention of the Episcopal Diocese of South Florida. The Rt. Rev. Reginald Heber Gooden, will address the Convention on the opportunities which are open for the Church in Panama to affect the life of this country.

Bishop Gooden has served in Panama since 1945. The Episcopal Church in the United States took over the work of the Anglican Church in Panama in 1913. Bishop Gooden will also address the Meeting of the Episcopal Church in Panama in 1913. Those who held their Meeting at the same time as the Diocesan Convention.

Representing St. John the Apostle, Episcopal Church, Apr. 21-23 at the convention of the Episcopal Diocese of South Florida (Ocala to Key West) in Daytona Beach are Father L. D. Loring, vicar, accompanied by Mrs. Loring, and Richard Poston.

Mrs. Richard Poston, and Mrs. M. E. Ludlow, president and vice-president, respectively of St. Elizabeth's Guild, are delegates at the annual meeting of the Episcopal Churchwomen at the Riviera Motel during the same time.

The Diocese of South Florida includes 196 congregations and 68,819 communicants. Some 2,000 are to meet during the convention, which is responsible for the business affairs of the diocese.

Presiding officers are The Rt. Rev. Henry I. Lottitt, D. D., Bishop, The Rt. Rev. James L. Duncan, D. D., Suffragan Bishop, Miami, The Rt. Rev. William L. Hargrove, D. D., Suffragan Bishop (St. Petersburg).

## Star Circle Discusses Organization Of Guild

The Star Circle of Community Methodist Church met at the home of Mr. Walter B. Harris with Mrs. Bettie Harris presenting the program on "Recruitment, Concern of the Whole Church" based on the task of enlisting young people for church related vocations.

During the session conducted by Mrs. Ruby Schofield, chairman, the group discussed the possibility of forming a Wesleyan Service Guild. The group decided to hold a meeting with the Joy Circle at the next meeting and invite an officer of the Guild to explain the purpose and organization of such a Guild here.

Members were reminded to get their end of year pledges in.

## Over 200 Attended Rally Here

Over 200 attended the South Florida Baptist Youth Rally at the Missionary Baptist Church, Chosen last Friday night.

The program presented by the young people of the church, and by directors Mr. and Mrs. Remondina, and Jimmy Brown was entitled "The Lord Said Sing."  
The junior choir sang "I'm In The Lord's Army," and "I Am Glad I'm A Baptist." Special songs were also rendered by visitors from other churches.

The banner for the largest visiting group was presented to the Pahokee Baptist Mission. Refreshments were served at the close of the meeting.

**MUSIC**  
Music teaches us two virtues greatly needed today — discipline in preparation, imagination in performance.  
—Dr. Rudolph Ganz  
Music makes the soul, it is high, and wins, it with sublime desires, and fits it to bespeak the Deity.  
—Joseph Addison  
Music is the mediator between the spiritual and the sensual life.  
—Beethoven  
Harmony in man is as real and immortal as in music.  
—Mary Baker Eddy  
Music is the only language in which you cannot say a mean or sarcastic thing.  
—John Krakine  
Music is a prophecy of what life is to be, the rainbow of promise translated out of seeing into hearing.  
—Lydia M. Child  
He that takes time to think and consider will act more wisely than he that acts hastily and on impulse.  
—C. Simmons

## Mrs. Tom Bregger Has Guild Program

"The Angelical Church and Henry VIII" was the topic of the program presented by Mrs. Tom Bregger at the regular meeting of St. Elizabeth's Guild of St. John's Episcopal Church. The meeting was held April 15 at the home of Mrs. J. E. Jones with Mrs. Richard Shoemaker as co-hostess.

At the business session with President Mrs. Richard Poston, presiding a letter was read from Wee Care, thanking the guild for its donation; Mrs. Jones, chairman of the Guild, announced two funds had been set up for the father of Father Loring, a memorial at the church and a fund for the TB Association; the flower chairman requested that anyone not signed up, who wishes to contribute flowers for the altar may contact her; the president announced the next Ingathering for U. T. C. is in the middle of May, envelopes will be mailed to each member.

Mrs. Bregger, announced she had given severals books and magazines to the Parish library and also to Fr. Stone, Jamaican priest. The church is starting a Parish library and anyone wishing to donate books, may contact Father Loring.

Reading of the revision of the bylaws, was voted on and accepted.

The next meeting will be May 20 in the morning at the home of Mrs. G. R. Townsend.

## Do You Endorse Checks Correctly?

Do you endorse your checks in your home or office and then carry them to the bank for cashing or depositing?

If you make a blank endorsement this practice could result in a financial loss to you or a delay in getting your money.

Miss Mary Todd, Palm Beach County Home Demonstration Agent, says that signing your name on the reverse side — endorsing in blank — makes your check payable to anyone who finds the check, if it's lost.

To protect yourself, Miss Todd suggests you wait until you are ready to cash the check before you endorse it in blank.

If you want to give a check made out to you to another person, use a full endorsement. Before you sign your name, write on the back "Pay to the order of (name) — the person to whom you are transferring the check."

If you are mailing a check for deposit, make a restrictive endorsement. "For deposit only the account of (your name)."

If you should lose a check, notify the maker of the check immediately and ask him to pay on the check. Generally he will call the bank and inform the stop-payment order with a letter.

If your name is misspelled on a check, endorse it first with the incorrect spelling. Directly below that sign your name correctly.

More caution — cash your checks soon after you get them.

Anyone interested in knowing more about money management or how to shop for credit should contact the H. D. Office — OV 3-1245 for free leaflets. Arrangements may be made for a demonstration to be given any interested group.

## Convention To Hear About Refugee Work

The 42nd Annual Convention of the Episcopal Diocese of South Florida, meeting April 21-23, will hear of the extensive social service program being carried out by the Diocese. This program involves Cuban refugee work, both in Miami and through a Cuban student program wherein the Episcopal Church is sponsoring some forty-four Cuban refugee students in colleges and universities. The Diocese has also, this year, established an official professional social service agency known as "The Episcopal Family & Children's Service Bureau." The Episcopal Diocese has also worked closely with the Florida Council of Churches in Migrant Work in the State. The Rt. Rev. William L. Hargrove, Suffragan Bishop of South Florida, is Chairman of the State Committee on Migrant Work.

The Episcopal Church is also engaged in a special Urban program, wherein efforts are being made to place the Church people in their part in creating this new age of urban development.

## Iron-On Interfacings Speed Spring Sewing

New iron-on interfacings will simplify and speed your spring sewing, reports Miss Mary Todd, County Home Demonstration Agent.

No pinning, basting or sewing is required, she explains, because these interfacings are heat soluble.

Two iron-on types of interfacings are available — woven and non-woven. Both are washable as well as dry cleanable. They may be used to stabilize buttonholes, zipper plackets, belts, waistbands, pocket flaps and welts.

Probably you'll need to experiment a little with the woven and non-woven interfacings to see which one fuses compatibly with the fabric you've selected.

Woven interfacing must be cut to follow the same grain as the outer fabric. The nonwoven type, however, can be cut and applied in any direction.

To apply the interfacing, use a dry iron. Set temperature control for outer fabric. Be sure to place the shiny or crystallized side of interfacing face down on the wrong side of the fabric.

Press down firmly with the iron. Do not move iron back and forth. A combination of pressure, heat and time are needed to make the interfacing adhere.

After it's applied, check to be sure the interfacing does not show through the outer fabric. Does it show enough to be a detriment? Too much?

If it doesn't seem right, iron-on interfacing can be removed readily. Just peel it off, press each piece, reposition and iron it on again.

Manners require time, and no thing is more vulgar than haste. —Emerson

THE CHURCH FOR ALL  
ALL FOR THE CHURCH

Every gardener knows human ingenuity cannot be substituted for the miracle of growth. God's secret is God! But he knows too, that wild growth means wilderness. Only cultivation makes a garden. So he works with God. And the result is beauty, fruitfulness, abundance. What the man with the green thumb practices in his back yard, the Church inspires across the whole expanse of human effort... the cultivation of souls... the realization of our spiritual potential. Working with God! What do YOU think life is meant to be? Wilderness? Or the Garden of God? Join us at Church next Sunday!

## Woman's Club Votes to Continue Kindergarten Project For Year

The regular meeting of the Woman's Club of Belle Glade was called to order by the president, Mrs. Wm. Rhodes, on April 16th. Mrs. Rhodes introduced Mrs. Clyde Parrish, chairman of the kindergarten committee; and in turn, Mrs. Parrish introduced the members of her committee, Mrs. T. E. Burgess and Mrs. John Whitmore; and the teachers, Miss Myrtle Gilman and her assistant, Mrs. Hagan Powell.

The presentation of the kindergarten was the program of the day. The children of the kindergarten opened the program by the singing of "America," followed by the pledge of allegiance to the flag and prayer. The children, dressed in their gayly colored costumes, then presented to the club a series of nursery rhymes in song, skits, and pantomime.

Following the children's program business meeting was conducted with Mrs. Wm. Rhodes, the president, presiding. The

minutes of the previous meeting were read and approved; and since this was the last regularly scheduled meeting of the year the annual reports of the officers were heard. Of special interest was the report of the kindergarten, which was followed by a vote to continue the project for the coming year.

It was announced the next meeting will be the installation of officers for the year 1964-65 and the luncheon be held on May 7th, 12:00 noon at the Civic Center. The installing officer and speaker of the day will be the Past District Director of District Ten, Mrs. Wells Tolson, of Ft. Pierce.

Delicious refreshments were served by the hostesses Mrs. J. P. Halbrook, Mrs. Luther Jones, and Mrs. W. C. Bamford.

## Beta Xi Chapter Will Observe Founder's Day

The Beta Xi Chapter of Beta Sigma Phi held its regular meeting at the home of Mrs. Terry Miller April 9. Mrs. Howard Hill, president called the meeting to order and asked for committee reports.

Mrs. William B. Rhodes, reported the next meeting to be at her home, featuring the Founder's Day Banquet which will be catered.

Votes were collected for Girl of the Year and will be announced at the banquet. After the closing ritual, Mrs. Ronald Cameron, in charge of the program on "People" introduced Mr. Don Fisher to show the group slides on Nigeria and Ghana, where he spent several months. He also gave an interesting narration.

Other members enjoying the program and refreshments were Mrs. James Dooley, Mrs. John Grady, Mrs. Davis, Kichigaher, Mrs. Carl McKee, Mrs. Carl Waggoner.

**Mrs. Adelaide Newton Honored At Coffee**  
Mrs. Adelaide Newton enjoyed a trip to Belle Glade last Friday where she visited with many friends.

The girls at the Dixiana gave a coffee for her around 2 p. m. and many were present for the occasion. Everyone exclaimed that she looked fine, and were very happy to see her.

At the Dixiana Cross and Susan Davis took her back to Lantana, where she is still a patient.

## Linda G. Rhymes Ronald Kirchman To Say Vows May 3

Miss Linda Grace Rhymes and Ronald E. Kirchman have completed their best man and usher wedding. The ceremony will take place at St. Peter Lutheran Church, Sunday, May 3 at 4 p. m., with the Rev. Harold Linke officiating.

For her maid of honor, Miss Rhymes has chosen her sister, Miss Sandra Rhymes. Bridesmaids will be Susie Rymer, sister, and Jayne Kirchman, sister of the bride-groom; elder bridesmaid will be Kar in Rhymes, also a sister; and Kim Kirchman will be flower girl.

Archie Kirchman will be his wife's best man and usher will be Jack Griffith, brother-in-law, Kenney Kirchman, brother, and Jerry Rhymes, brother of the bride.

No local invitations are being sent out, but all friends and relatives of the couple are invited to the wedding and reception following at the home of Mr. and Mrs. John White, uncle and aunt of the bride-elect.

## Miss Terry Tucker Names Attendants

Miss Terry Tucker announced the following attendants for her wedding: Miss Marilyn Matthews will be maid of honor; bridesmaids will be the Misses Gloria Smith and Kay Gilber of Belle Glade and Tammy Baum of Jacksonville.

Miss Tucker will marry Mr. Thayer M. Marts of Tallahassee on May 2, 1964 at 4 o'clock in Community Methodist Church. No local invitations are being sent but all friends are invited to the wedding ceremony and to the reception which will follow immediately.

## Marilyn Matthews Receives BS Degree

Mrs. and Mrs. Douglas Matthews accompanied their daughter, Marilyn, to Tallahassee, Florida, to receive her Bachelor of Science degree from Florida State University in the School of Education.

While at the University she was tapped for membership by the Kappa Delta Phi honor society in education. Arnold Flight, girl honorary sponsored by the Arnold Air Society and also served as president of Delta Gamma, a national social society.

Monday she started teaching 7th grade at Berkshire Elementary School in West Palm Beach.

## Mrs. Croft Reports On District BPW Meet

The Belle Glade B. P. W. Club met at the home of Mrs. Rosa Nash Monday night. Mrs. Gladys Jones presided.

A report was given of the District meeting and luncheon at the Clewiston Inn, with the Clewiston BPWC as host club. District officers were installed with Miss Janina Croft as a stand-in for Mrs. Rosa Nash, as District Director, who was absent on account of illness. Mrs. Beatrice Freese, B. P. W. president-elect of the Florida Federation was installing officer.

Mrs. Croft also reported on the workshop given by Mrs. Freese on "President Kennedy's committee report on the Status of Women. Attending from the local club with Mrs. Croft were Mrs. Inverse Ashley, Mrs. Helen Morris and her mother. A hoodmanny was part of the entertainment, presented by Mrs. Brown Music Class.

The local club discussed the Joesses night dinner and a rummage sale to take place in May and announced the club members are invited to Indianapolis next Tuesday night, the Indianapolis B. P. W. Club, will entertain at a supper.

## BIRTHS

April 19: Mr. and Mrs. Robert A. Hooker (Liska Humphries) announce the birth of a baby daughter, not named, weight 7 lbs., 1 oz. at Good Samaritan Hospital, West Palm Beach.

Paternal grandparents are Mr. and Mrs. E. D. Humphries and paternal Mr. and Mrs. W. R. Hooker of Belle Glade.

## Celebrate 50th Wedding Anniversary

**MR. AND MRS. H. GRADY BOYNTON**  
Celebrating their 50th wedding anniversary April 12, were Mr. and Mrs. H. Grady Boynton of Canal Point, Fla. They were honored at a small reception by their son and daughter-in-law, Mr. and Mrs. Joe Tom Boynton, of Pahokee and son-in-law and daughter, Mr. and Mrs. Rudy "Bud" Belle Glade, at the Boynton home in Pahokee.

Attending along with a few friends were another daughter and son-in-law, Mr. and Mrs. Max Beverly of Ochochee, Ga.

Miss Mary Mathewson, majoring in nursing, has completed her sophomore year at Florida State University and returned home last weekend to spend a few weeks with her parents, Mr. and Mrs. Jack Mathewson. During the second trimester of school, Miss Mathewson pledged Alpha Chi Omega sorority.

Enjoying the past weekend with her parents Mr. and Mrs. Carl Cone were Mr. and Mrs. Kenneth Conner and Jill of Orlando. Mr. Conner who is manager of Orkin Exterminators has received a promotion and will be transferred presently to Jacksonville, Mrs. Conner and Jill will remain in their lovely home in Orlando until they find quarters in Jacksonville.

The Dr. Mendal Luce family visited during the past weekend with his parents, Mr. and Mrs. Hayse Luce at Lake Alfred.

Mr. and Mrs. R. W. Kidder were weekend guests of their son-in-law and daughter, Mr. and Mrs. Jack Overbay, of children, Carolyn, Michael and Keith Wyman at Ft. Myers.

Penny and Al Maloy spent the weekend at Silver Springs, where they enjoyed the various entertainment.

Mrs. Rosa V. Cook returned last week from Miami where she visited her brother and wife, Mr. and Mrs. W. G. McGill.

Mr. and Mrs. Russell E. Tucker went to Tallahassee Friday to attend the graduation of their daughter, Terry, from Florida State University. Mrs. Tucker's mother, Mrs. Frank Terrell, of Bloomfield, Indiana met them on account of illness. Mrs. Beatrice Freese, B. P. W. president-elect of the Florida Federation was installing officer.

Mrs. Croft also reported on the workshop given by Mrs. Freese on "President Kennedy's committee report on the Status of Women. Attending from the local club with Mrs. Croft were Mrs. Inverse Ashley, Mrs. Helen Morris and her mother. A hoodmanny was part of the entertainment, presented by Mrs. Brown Music Class.

The local club discussed the Joesses night dinner and a rummage sale to take place in May and announced the club members are invited to Indianapolis next Tuesday night, the Indianapolis B. P. W. Club, will entertain at a supper.

## Subscribers!

If you're not receiving your paper promptly, chances are you've not given The Herald your correct mailing address. Check now to be sure. Advise us immediately if you move across town or across the nation. The news is always more timely if it gets there speedily.

Mrs. Kathleen Livingston and Mrs. Verda Mathewson enjoyed a long weekend free from their Herald duties when they drove to Tallahassee last Thursday morning to pick up Mrs. Mathewson's daughter, Mary. On their return they stopped Friday night in Ocala and spent Saturday enjoying the attractions at Silver Springs. All three heartily recommend Six Gun Territory as top entertainment for the whole family. They were inspired by their visit to artist Paul Cunningham's Prince of Peace Memorial at the Springs, enjoyed the Early American Museum, the Ross Allen show, boat rides and other attractions.

Mrs. Cora G. Price is visiting relatives in Alabama and will leave next week for Dallas, Texas for five weeks. Visit with her son Major A. J. Price and family.

Mr. and Mrs. Leland Rogers

## Bulletin On Freezing Available At H. D. Office

Freezing garden vegetables at the peak of quality is most important, says Miss Mary Todd, County Home Demonstration Agent.

Blanching of vegetables is necessary. Blanching means heating with hot water or steaming to retard the action of enzymes which lower quality and flavor during freezer storage. Blanching time varies with different vegetables. Immediately after this heat treatment, the vegetables should be cooled in ice water or cold running water.

Properly packaged and packed, and then stored at zero degrees or below, most vegetables keep their quality up to a year in the home freezer. Miss Todd suggests selecting varieties that freeze well, as some varieties freeze more successfully than others.

The local Home Demonstration Agent suggests that you do your own recommended methods in freezing Florida fruits and

vegetables. Details of freezing are given in the U. S. Dept. of Agriculture Bln. 10, "Home Freezing of Fruits and Vegetables." You can get a copy free from your County Home Agent at the Mounts' Agriculture Center, 531 North Military Trail, West Palm Beach, or by calling OV 3-1252. Recipes include how to freeze avocados, coconut, fruit cocktail, grapefruit, oranges, cantaloups, honeydew and watermelon, nectarines, fresh pineapple, and practically all other fruits and vegetables.

## Elks Family Dinner

## Dance Sat. Nite

Belle Glade B. P. O. E. No. 1716 held their regular meeting Monday night, with Exalted Ruler Davis Kichigaher, presiding. Following the meeting, a buffet featuring "Barbecue chicken" was enjoyed by the members present.

All plans were completed for a family dinner to be held this Saturday night, April 25, from 6:30 to 9 p. m. The dinner menu includes — Barbecue chicken, potato salad, fresh corn, tossed salad, and good coffee. A surprise for the kiddies — and a pleasant evening for the adults are planned.

A highly popular accordion group from W. Palm Beach will provide continuous dinner music. A dance will follow the dinner and should begin around 10 p. m.

All members their families and guests are cordially invited to attend.

### OES Hear Reports On Grand Chapter

At the regular meeting of Belle Glade Chapter No. 197 O. E. S. held at Masonic Hall Thursday evening, Mrs. W. J. Norris gave an interesting report on Grand Chapter session recently held in Jacksonville.

The Grand Chapter session was also attended by Mrs. Donald Aspy, Worthing Matrons of the Chapter, Mrs. Madge Taylor and Mrs. Nova Jamison.

Following the meeting the refreshment committee composed of Mr. and Mrs. James Hendry, Mrs. Julia Hemphill and Mrs. Maude Layfield served refreshments, to the 19 members attending.

The next regular meeting of the Chapter will be held May 7.

### STUDENT IN PRACTICAL NURSING PROGRAM

Velma Warren Tyler

Mrs. Velma Tyler, daughter of Mr. and Mrs. Lonnie J. Warren, Belle Glade, Florida is currently a student in the Practical Nursing Program, Palm Beach County Vocational School. Mrs. Tyler is a graduate of Belle Glade High School. She expects to complete her present studies in September and then go to Jacksonville for her examinations to become a Licensed Practical Nurse.

## Norton Gallery Membership Available

E. R. Hunter, director of the Norton Gallery and School of Art, announced today that New Memberships are being accepted. Now at the gallery for the 1964-65 season which officially begins on November 1. The reason for an earlier membership drive this year is to permit new members to enjoy free, as an added bonus, all the activities in the Norton April Festival, a special program of events which will include concerts, lectures, ballet and films.

Members of the Norton Gallery during the regular season are admitted free to at least three concerts chosen from the world's finest performers. Lectures are presented by leading museum officials on all phases of art and noted visiting artists demonstrate their technique. A continuous series of special exhibitions are held throughout the year. These are selected with an aim to enlarge the scope of art as represented in the Norton Collections and to give the public an awareness of the art of today. Members' preview

The beautiful Norton Gallery and School of Art is owned and managed by the Palm Beach Art Institute, Inc., for the education and enjoyment of the public. As a non-profit educational institution, the Palm Beach Art Institute may receive contributions which are deductible in income tax computations in accordance with federal tax regulations. Contributions to the institute make possible its excellent program of activities. For a membership application form or for further information about the Norton Gallery, call TE 2-5194.

At a recent Board of Directors' meeting held in Belle Glade President Robt. A. Darr of the Intermediate Credit Bank of Columbia, S. C. 2nd from left was present. Left to Right, George Wedgworth, Vice Pres. Mr. Darr, Walter Peterson, Director, President Harry B. Mathews of the FPCA, C. R. Sexton and Jeff Davis, Directors, and C. B. Long, Manager.

## Locally Handled Federal-State Aid Effective To All

U. S. Senator Spessard L. Holland this week called for "a fair trial" of existing medical-aid-for-the-aged legislation, observing that it was supported by the entire Florida delegation in Congress and by a "heavy vote" of the Florida State Legislature.

From his Washington office, Senator Holland, noting that "I am a strong supporter of adequate measures on behalf of needy senior citizens," said "We are committed as a state and a nation to give the Kerr-Mills plan a fair trial."

"It covers both hospital and doctors' bills and protects only those who need such help," Holland said about the Kerr-Mills Act.

"It is administered by the individual states and financed jointly by the state and federal governments."

Florida's senior senator criticized the proposed Medicare bill for offering "only limited hospitalization and it would have to be financed through increases in the present social security tax."

"It would cover all senior persons regardless of need, would be administered by the federal government and would not cover doctor's bills," Holland said. "It would be one of the most costly pieces of social legislation ever enacted."

"I backed the Kerr-Mills approach as the legislation which will best do the job," the Senator reported, but, if after Florida's trial period of two years for the Kerr-Mills Act, "the need for change is indicated, I will gladly support any revisions essential to assuring adequate medical assistance to our needy senior citizens."

## Turf-Grass Show At Hotel Seville Miami Beach May 2

The public is invited to attend a free Lawn Clinic and viewing of turf-grass industry exhibits at the Third Annual Florida Turf-Grass Trade show on Saturday, May 2, at the Hotel Seville, Miami Beach.

The show, to be held at both the Seville Hotel and the Plantation Field Laboratory, Ft. Lauderdale, from April 30 to May 2, will be open to the general public at the Hotel Seville for one day only. Exhibits will be open from 9:00 a. m. until 5:00 p. m. and will feature a wide range of materials manufactured for lawn care and displayed by local, state and national firms. Fertilizers, chemicals, herbicides, insecticides and the latest in turf equipment will be featured.

The Lawn Clinic will run continuously from 10:00 a. m. until 4:00 p. m. and will be participated in by many of the leading turf authorities in Florida, including industry, research, educational, personnel and county agents from the South Florida area. The public is encouraged to both attend and present problems and questions regarding lawn care to the panel of experts.

Proceeding the demonstrations, from 9:00 a. m. until noon, there will be guided tours of the turf research plots at the Plantation Field Laboratory. A

highlight this year will be the breakdown of the tours into groups of common interest. Tours will be conducted for lawn maintenance men; parks, laral spraymen; golf superintendents and athletic field tenders; and garden supply directors; sod growers; horticultural-dealers.

## YOUR PROTEST IS INVITED!

Everglades residents in the Port of Palm Beach District Are Entitled to More Than Just "Lip Service" at Election Time!

The present Port Commissioners have apparently forgotten the boundaries of the District — Lake Okechobee to the Atlantic. The Glades has received few benefits from the incumbents, most of these just prior to an election.

## NOW IS THE TIME TO MAKE A CHANGE!

William G. "Bill" Hobbs is aware of the district boundaries — he is aware of the source of Port taxes. Bill Hobbs believes in reviewing the needs of the entire District — then filling these needs with a more equitable distribution of tax funds. Further — Bill Hobbs will make every effort to put the District on a paying basis in order to achieve drastic cuts in taxes now levied.

VOICE YOUR PROTEST — VOTE FOR A CHANGE.

## Health Board Agreeable To City Plans Water And Sewerage Plans "On Board"

Engineers reported to the Commission Monday night that tentative permission is indicated by the State Board of Health to a plan to cross Turkey Island by the open ditch method to an intake at Winnie's Cove, as well as indicated plans for Sewerage.

## Hurricane Gates Closed For Repairs Say US Engineers

Hurricane Gate No. 2 at Clewiston and No. 5 at Canal Point will be closed, dewatered, desilted, repaired, sandblasted and painted.

Number two will be closed from April 21 thru May 13th; the Canal Point gate will be closed from May 14th through June 4th.

By the State Board of Health to a plan to cross Turkey Island by the open ditch method to an intake at Winnie's Cove, as well as indicated plans for Sewerage.

City Manager Hugueny states that the many details preparatory to the actual letting of contracts are being completed as rapidly as possible.

# Can the National Guard make you someone special?

(Only if you're good enough to get in!)

The job we're doing is too important to goof. That's why we have tough physical and mental requirements—to weed out the men who don't measure up. The guy we want is the guy who can learn to do his job better than he'll normally have to. Look at it this way: When the chips are down, would you want to be next to a man who couldn't carry his own weight? So, if you think you're good enough, the Guard can make you someone special.

## Registered Angus Sale At Palmetto April 24th

Registered Angus bulls and females totaling 112 in number will be offered at the sixth annual Florida Angus Association Jubilee Sale to be held in the new Livestock Pavilion at Palmetto on April 24, according to sale committee chairman Curtis J. Hight.

Included in the consignments from state-wide Angus breeders are 23 bulls and 89 females. The females will include bred heifers, open heifers, and cows with calves at side (some re-bred).

The sale is set for 10:00 a.m. at the Palmetto Livestock Pavilion, 1500 N. Highway 1, in Palmetto, Fla.

City Manager Hugueny states that the many details preparatory to the actual letting of contracts are being completed as rapidly as possible.

A special feature of this year's event will be the drawing of two \$100 gift certificates to be won by a 4-H or FFA member which will be used by one of the lucky winners to reward the purchase of a registered Angus female in the sale.

John R. Culbreth of Brooksville, sales manager, reported that there are 25 consignors to the sale, with the consignments including many good features with good beefy broad cows, good herd prospects, and show cattle available for the buyers.

## PB Junior College Offers Teachers Nine University Credit Courses

Nine university credit courses for teachers are being offered for Palm Beach County during the Trimester III-A through the Florida Institute for continuing University Studies (FICUS).

Robert P. Owens, administrator of the Palm Beach-Broward FICUS Center, has announced that all but two of the following courses will be held at the Palm Beach Junior College in Lake Worth.

AE406, Art in Childhood Education, Florida State University extension credit, taught by Dr. Julia B. Schwartz, Mondays and Tuesdays, 4-9 p.m., beginning April 23.

EA406, Linkages and the Teaching of Writing, FSU extension credit, taught by Dr. Paul Stokken, Tuesdays and Thursdays, 4-7 p.m., beginning April 23.

## Republican Sheriff Loses Democrats Oldtimers Clark And Rozelle "Fired"

"The Glades area and its problems and it growth are not known nor comprehended by Mr. Kellenberger," says Verne Clark, Democrat, who has been Commander of the Glades Department under Kellenberger.

Lieut. Clark and Detective Frank L. Rozelle were relieved this past week from duty by the Sheriff.

Verne said he's "more concerned" with the pursuit of other employment to sustain myself, my wife and five children than I am in becoming involved with anyone in a political wrangle. I have not actively campaigned for any candidate for any office while employed by the county.

I do, however, have a right to my own opinions and I will express them at the proper time.

My dismissal is a matter of political expediency, and nothing more — I do not seek employment with any Palm Beach County law enforcement department.

Verne said he's "more concerned" with the pursuit of other employment to sustain myself, my wife and five children than I am in becoming involved with anyone in a political wrangle. I have not actively campaigned for any candidate for any office while employed by the county.

## Smokin' In Taxes Disregard Warning Indicates What?

Four Glades municipalities are receiving \$33,631, as their share of cigarette taxes for the month of March — Clewiston, \$5,274; Pahokee, \$5,270; South Bay, \$5,259; and Belle Glade, \$18,708.

This indicates a disregard for the warning of medio about the harmful effects of cigarette smoking.

Is this a straw in the wind of the public's regard for professional medical integrity? How does this relate to Medicare proposals?

## U. Of Fla's Katie Tops Production With 11,980 Pounds

Two of the University of Florida's prized members of the Agricultural Experiment Stations dairy herd have distinguished themselves.

Florida Fortune Katie, a registered Ayrshire, just completed a record 11,980 lbs. of milk and 526 lbs. of butterfat to lead all junior three-year-olds in the state in production.

Based on a 305-day production record of a twice-a-day milking, Florida Fortune Katie averaged 39 lbs. of milk and nearly 2 lbs. of butterfat a day.

Florida Golden Lena Three, also set a record for milk production among the Holstein breed. The two-year-old cow produced 15,810 lbs. of milk and 604 lbs. of butterfat in 305 days.

In announcing the new record, a spokesman for the Holstein-Friesian Association of America said that Lena's record compares to the average cow's annual output of 7,211 lbs. of milk containing 270 lbs. of butterfat.

Lake League Frostie in 1st place with 76 points; U.S.S.C. Clewiston 71 points; W.T. Grant 3rd with 65 points. High team set was won by WOWY 2487; High team game was won by U.S.S.C. Clewiston with 479.

Winning individual set was Curv Martin with 597; Jim Johnson collected high individual game of 213. Bowling over 200 games and over 500 sets were: Barney Smith 542; Sid Smith 527; John Pelham 511; Clarence Throgm 304-582; Jim Johnson 212-500; Perry Rigdon 414; Hank Andrei 530; Harry Vaughn 203-516; Jim Brando 509; Curv Martin 587; Bob Pearce 500.

STOCKER Steers: 17.00-17.25, Med. 15.00-20.00, Can. 13.00-16.75, Heifers: Med. 14.00-16.25, Can. 12.00-14.00.

Cows: Med. 22.00 per head, Calves (250-500) Good 17.25-18.50, Med. 16.00-17.25, Ctl. 14.00-15.00, Inf. 12.00.

Calves (100-250) Good 21.00-22.00, Med. 18.00-20.50, Ctl. 16.00-21.00.

Slaughter Steers steady to weak; Slaughter Heifers steady; Slaughter Cows 25c to 50c lower; Slaughter Bulls 100 higher; Slaughter Calves 200 lower; Slaughter Vealers steady.

## ELECT (LEVER 22A) HUGH BROWN SHERIFF

HONESTY - EFFICIENCY COURTESY  
DON'T VOTE FOR Campaign Money

PROVEN ABILITY as Boca Raton Police Chief.  
PROGRAM: Accident Prevention, Dept. Training Program, Civil Service System, Efficient Use of Tax Monies, Youth - Police Program.

Give every Palm Beach County youth the best education possible within sound administrative practice.

Continue the development of the school curriculum to meet all the educational specifications and needs.

Give our youth the best tools available, in part, this should include text books, library facilities, supplemental materials, audio-visual facilities pertinent supplies and equipment.

Procure the finest teachers and administrators available and compensate them so that we can attract only the most competent graduates. We must also reward our career teachers and non-instructional personnel with salaries commensurate with their longevity and responsibilities.

## New Corporations Licensed In Tally

Included in a list of newly formed corporations are two in Belle Glade.

One, "Midway Village Inc., dealing in Mobile home trailers, park incorporators: Frank J. Brady, Pahokee, Benny A. and Mary T. Richmond of Belle Glade, 500 shares of common stock at \$1.00 per share."

The second is "Belle Glade Innkeepers Inc., authorized stock of 10,000 shares of common at \$1 per share, dealing in motels, Claude S. Jones, M.D."

## PUBLIC NOTICE

IN THE COUNTY JUDICIAL COURT, IN AND FOR PALM BEACH COUNTY, FLORIDA.  
DOES: ESTATE OF MINNIE MEYER KIRCHMAN, DECEASED.

NOTICE TO CREDITORS: All creditors of the estate of MINNIE MEYER KIRCHMAN, deceased, are hereby notified and required to file any claim against said estate, together with a verified statement of the claim, in writing, with the undersigned, at the County Clerk's Office, Palm Beach County, Florida, within the date of the first publication of this notice.

Witness my hand and the seal of said court, this 17th day of April, 1984. At Law, JAMES M. MOYER, Attorney at Law, 200 N. U.S. Highway 1, Palm Beach, Florida 33480. Pub: April 23, 20, May 7, 14, 1984.

THE HERALD RECOMMENDS: We recommend the nomination of Spessard Holland as Democratic candidate for the United States Senate, a body which he deserves as few men do.

The Senate, as Daniel Webster said, "is a hall for mutual consultation and discussion; not an arena for the exhibition of champions."

His members are more than anything else, a deliberative body with a prestige unequalled in any parliament or congress.

Senator Holland has served three full terms in this body and part of a fourth. This is the tribute paid him by his Florida constituency, and we think it is because he fits the classic prescriptions of a U.S. Senator.

He is dignified without being pompous. He is direct without being dictatorial. He is a reasoning man, and thus, in a deliberative body, a deliberative man with a mellow tolerance of opposing opinions.

He is, most of all, a knowledgeable legislator who does his homework.

These qualities are important in a public servant who is one of only 100 Americans possessing the powers over the security of the nation and the lives and property of its people. Among those 100, Senator Holland ranks 12th in seniority. His score of years in Washington, which followed his wartime governorship of Florida, have brought him major appointments on standing and special committees.

For instance, he is a member of the Committee on Agriculture and Forestry and is chairman of one of its subcommittees; he is a member of the powerful Appropriations Committee, and again the chairman of a subcommittee. He is a member of the new and significant Aeronautical and Space Science Committee, with which Florida needs close and abiding liaison.

Senator Holland is 72. His mind is as sharp and his step as quick as a man many years his junior. We hope that the voters will say on May 8, this unassuming statesman, whose brand of conservatism is positive and purposeful, is their choice for yet a fourth time to sit in the Senate of the United States for the State of Florida.

Elect FULTON Supt. of Schools

Here are ROBERT W. FULTON's objectives for the Administrative Post that Handles 34 MILLION DOLLARS Per Year of Taxpayers' Money:

Give every Palm Beach County youth the best education possible within sound administrative practice.

## The Home All Florida Has Awaited! The Sensationally-Priced "FLORIDIAN"

...America's FIRST Truly Mass-Produced House

—O—

2113 Sq. Ft. High Quality Throughout

...3 Bedrooms, 2 Baths, Central Heating And Air-Conditioning

765 SOUTH MAIN ST. — Across From Catholic Church

## "The Floridian" (Saving You Thousands Of Dollars) Was Built To Last A Lifetime, With Low Upkeep

See It Now... Right Here In Belle Glade

A highly appealing, top-quality, Florida-minded house you can buy right now for AT LEAST \$5,000 LESS than comparable conventionally-built homes! ... How is this possible? Because this substantial, 2,113 sq. ft. house with brick exterior is the result of 100% EXPERT MASS-PRODUCTION. Every inch of "The Floridian" (which nicely meets FHA standards and Florida building codes) is engineered to perfection... thus permitting rapid erection. It features the time-tested, Steel Structural System developed through U. S. Steel research. This makes "The Floridian" stronger, longer-lasting, more economical to maintain than non-steel homes. U. S. Steel's unexcelled skills in engineering, designing, architectural "know-how," mass-production and purchasing are reflected in every facet of this remarkable house. Seeing is believing... so come first chance you get... to see for yourself. It will be a visit well worth while, we can assure you!

### TYPICAL FEATURES OF THE INCOMPARABLE "FLORIDIAN"

- STEEL STRUCTURAL SYSTEM... same inherent strength found in skyscrapers and bridges.
- A TERRIFIC 2113 SQ. FT. OF SPACE... including a 16' x 20' enclosed garage with finished walls.
- CENTRAL AIRCONDITIONING System
- CENTRAL HEATING System
- COMPLETELY INSULATED... exterior walls and ceiling; full thick insulation.
- BRICK EXTERIOR; no maintenance!
- 20-YEAR ROOF SHINGLES; windproof
- VAPOR BARRIER surrounds entire house
- 36" OVERHANG
- FINISHED FLOORING... Armstrong white vinyl asbestos floor tile
- SCHEURICH KITCHEN CABINETS in natural birch finish; with Lazy Susans
- FORMICA COUNTER TOPS, post-formed
- G. E. RANGE OVER DISHWASHER
- ALUMINUM SINGLE-HUNG WINDOW SASH... with Screens.
- EIGHT SPACIOUS CLOSETS
- SLIDING GLASS DOORS (safety glass) with Screens
- FLUSH MAHOGANY DOORS, Yale & Towne Hardware
- DECORATOR STEEL FOLDING CLOSET CLOSURE
- DRESSING ROOM with Master Bedroom
- CONTOUR BATH TUB, wall-hung water closets, oversize medicine cabinets, vanity with white glitter top
- DE LUXE LIGHTING FIXTURES... and electrical convenience outlets on the outside
- SHUTTERS for exterior charm

UP TO 90% FINANCING—To Acceptable Credit Risks

Specifications call for the use of No. 1 Common Brick... At a slightly added cost, purchaser may use Architectural Brick, Cement Brick or Stone. Roof Tile may be substituted for Roof Shingles on the same basis.

Mrs. Ruth L. Sheppard, candidate for Supervisor of Registration, Executive Director of the 17 County Tuberculosis and Health Association for the past sixteen years, pledges to, "add dignity and efficiency to the office and to do so at the lowest possible cost to the taxpayers, to devote her undivided attention to the office, to cooperate with all governmental departments; to further the democratic processes by an educational effort to move young and old alike to register and VOTE, to see that all qualified have the opportunity to register and to vote."

Mrs. Sheppard has lived in Palm Beach County for 15 years, and had service with the American Red Cross during World War II at numerous governmental hospitals.

Her church affiliations are with the Congregational Church in Lake Worth; she is a member of the EPW and is correspondent.

### Comedy Of Errors

Coming May 2nd

The Shakespearean play "Comedy of Errors" co-sponsored by the Palm Beach Junior College and the Palm Beach County Council of P. T. A. will be presented at the Belle Glade High School gymnasium at 8 p. m. May 2. Mrs. Dick Murray of the Belle Glade Jr.-Sr. High P. T. A. is serving as local chairman. Mrs. Onal Walker, Chairman of ticket sales, announced that admission will be 50c for Elementary pupils, 75c for Junior-Senior High students, and \$1.00 for adults. Tickets will be on sale at Sullivan's Drug Store and Daddy Dick's in Belle Glade, and at Everglades Water Land and Wildlife Store in South Bay.

ing secretary to the Democratic Women's Club of the county.

Mrs. Sheppard suggests that she is qualified as to education in Florida Universities; with graduate work at the U of NC and at Duke; she has the willingness to work and has had administrative experience with proven ability.

It is pointed out that 41 of Florida's counties have lady Registrars, including Broward, Polk, Volusia and Pinellas.

The 3.12 acre Florida State Exhibit site at the New York World's Fair (1964-65) required more than 900 pilings ranging in length from 50 to 90 feet to establish firm foundations for buildings on the bank of Meadow Lake.

ONE WOMAN'S DEFINITION of retirement: twice as much husband on half as much income.  
THE ORANGE or grapefruit you took for granted this morning is actually one of this country's most exotic products. It took 5,000 years of development to produce today's specimen, and a trip of 10,000 miles from its oriental birthplace. Originally brought to the New World by Spanish adventurers and pirates (even Columbus had a hand in it), citrus fruits now make up the largest single fruit production in the U. S. and Florida alone produces one third of the world's total production of oranges, grapefruit and tangerines.  
GOOD MANAGEMENT consists of getting superior work out of average people.  
HOW DOES IT HAPPEN? A river first becomes crooked by followed the line of least resistance.

## UNCLE DAN from DOOLIE says:

Dear Mister Editor:  
The fellers at the country store Saturday night come out strong again this plan for "streamlining" the Congress. It looks from the papers like the folks back home is complaining on account of them Congressmen ain't getting nothing done but yep more and more about less and less.  
Ed Doolie had some fingers he had took from a newspaper on what has happened since the last time things were reformed in the Congress in 1946. First off, this reform Act of 1946 said the Congress should adjourn by July 31 ever year except in time of war. According to this piece Ed was showing the fellers, they ain't adjourned but twice in them 17 years by July 31 and that was in 1952 and 1956 when we were electing a President and they had to go back home and do some politicking.  
Furthermore, the 1946 Act reduced the committees in the Senate from 35 to 15, and in the House from 48 to 19. After 17 years of reform we now got 106 committees in the Senate and 152 in the House.  
But the main reason we can't stand no more streamlining of the Congress, showed Ed, was on account of the costs. In 1946 when we got our last streamlining job it was costing \$22 million a year to operate the Congress, and the figures for the fiscal year ending July 1, 1955 is \$179 million, a increase of 800 per cent in 17 years.  
All the fellers was agreed that one more streamlining job on the Congress and the cost would get in orbit. It was also noted by Clem Webster that them Congressmen might not even get adjourned in time for the presidential election and the voters would be had handicapped by their advice to these matters.  
It might be a public service, Mister Editor, if you'd write a editorial warning the voters to keep quiet as a mouse on this matter and not push it.  
Next to not streamlining the Congress, the fellers was of the opinion that the next most pressing domestic problem was how to keep the husbands in this country from running off and leaving their wives. Zeke Grubb had a item from the U. S. T. S. Company reporting that 75,000 husbands took off from home in 1953 and ain't been heard about since.  
This item said more and more husbands has been disappearing ever year since 1950 and it had reached a all-time high last year. They just pack up their clothes when the old lady is gone and take off for good.  
All the fellers was agreed that unless we can put the stopper in this jug, guess y'all would get to be as big a problem in America as the Congress.  
Yours truly,  
Uncle Dan

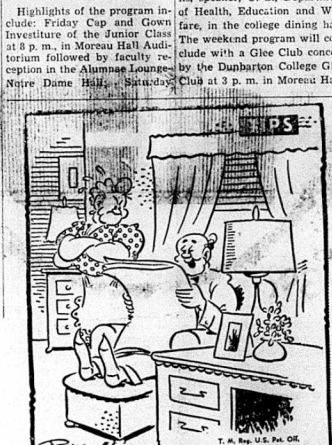

TROOP 621 ATTENDS CAMPOREE — These boys scout of Troop 621, sponsored by Presbyterian Church, were among the 500 attending the District Camporee at Fishbeating Creek. L-r are Richard McMillan, Don Fisher, Victor Riedel, Warren Bus, Marlan Felsing, David Morris, Gene Hollingsworth, Paul Dailey, Bruce Champlan, Gary Champlan. The boys had a weekend of fun and scout activities. Scout Master Jack Hollingsworth with Kenneth Lutz and Walter Bailey assisting also report a grand outing.

## Dr. J. A. Gray Attends Meeting In Atlantic City

Dr. James A. Gray, Belle Glade, is attending an American Academy of General Practice scientific meeting in Atlantic City, N. J.  
Dr. Gray, a member of the Academy, will hear more than 25 guest speakers discuss up-to-the-minute health care topics. He will also visit more than 100 scientific and 300 technical exhibits.  
Subject areas covered at the four-day scientific session are those of immediate interest to doctors in the general practice of medicine. These subjects include heart disease, baby rashes, cancer, defective hearing, sinus problems and venereal disease.  
More than 3,000 doctors are expected to attend the Academy's 16th annual meeting. The Academy, headquartered in Kansas City, Mo., is the nation's second largest medical association and the only association that requires its 28,000 members to keep "going back to school." All AGP members must complete 50 hours of post graduate study each year.

## Poston Candidate For C. Commission

Bryan A. "Barney" Poston, Jr., is the unopposed nominee for County Commissioner representing District 1.

A North Palm Beach County Real Estate and Insurance Businessman for the past 13 years, Poston has served on many civic and community boards. He is a former Commissioner of the town of Lake Park.  
Educated in Palm Beach County schools, Poston is a graduate of Palm Beach Junior College and attended Florida State University where he majored in Business Administration. He is a decorated World War II veteran, serving with the U. S. Army Air Corps. While stationed with the famed 8th Air Force in England, Poston flew twenty-seven combat missions.  
In civic and fraternal affairs Poston has compiled an enviable record of service. He is a charter member and past president of the Riviera Beach Jaycees, a member and past director of the Riviera Beach Chamber of Commerce, member of the American

Legion, Post No. 268 and member of the Veterans of Foreign Wars, Post No. 9610. Poston is also a recipient of the Distinguished Service Award which he received in 1955.  
Poston is the son of A. A. "Barney" Poston, who served for 18 years as County Commissioner. He is married to the former Edith Johnson and the father of four children: Drew, 15, twins Dale and Dean, 10 and Rebecca, 2 years old.

Here's How Florida's SENIOR SENATOR

**SPESSARD L. HOLLAND**

**STANDS ON THE CIVIL RIGHTS BILL**

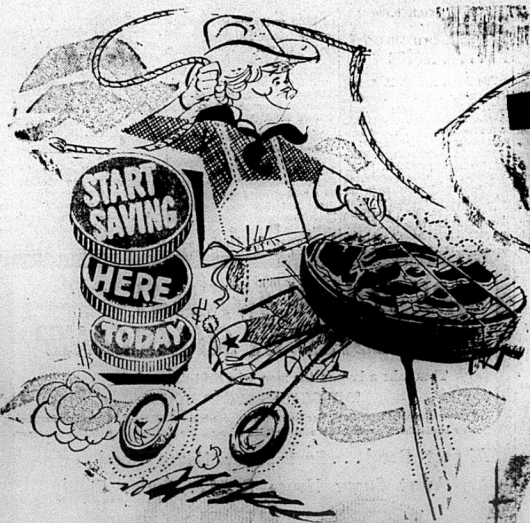

Senator Holland says: "At this moment, I should be with you in Florida... seeking your support in the coming Democratic primary in my bid for re-nomination to the United States Senate. Instead, I am in Washington on urgent business... more important to us all... because I feel the Civil Rights Bill now before the Senate would be bad legislation for all our citizens and one which, even if passed, will be doomed to failure by the fact of its very coercive nature. This bill would put such fantastic power in the hands of the attorney general that we could come close to being a police state. For this reason, I am spending my campaigning time in Washington... doing the job you sent me to do. In the meantime, I warmly ask you to consider my past service to you and our great State of Florida and return your senatorial service."

Senator Holland has served on your U. S. Senate since 1942. During these years he has attained seniority ranked twelfth among 67 Democratic Members of the Senate.

**THE GLADES PAY PORT TAXES TOO!**

In the past 15 years, the Port of Palm Beach District has collected more than \$5 million in taxes — Glades residents have paid a generous slice of this amount! And For What Return?

The present commission, instead of using port revenue to pay its operating expense, channels port revenue into its pet projects and is using your tax dollars to underwrite its mismanagement. Your tax money goes for high priced legal and engineering counsel, into promotional exploits which seldom produce anything of value, into land speculation and so-called port improvements. Glades residents do not benefit from such wasteful spending. The incumbents now propose to spend \$500,000 more to widen and deepen the Palm Beach Inlet — a project not needed for port operation. John Rybovich, Jr., is strongly opposed to this wasteful spending; to dredging the inlet, to the constant spiral of District taxes and to needless port expansion. You can help eliminate this expensive situation by voting May 5th for John Rybovich Jr.

### Surf...

#### Sand...

Dear Reader, The day after the night before was a busy one for many Belle Glade High School students. The night had just begun after the Prom was over. Girls and boys went home and changed from their formal and "monkey suits" to a less formal attire of shorts and tennis shoes and enjoyed the breakfast at the country club. Here, everyone let their hair down and in really "cut the rug."

After the breakfast the ones that still had energy left to burn headed for various beaches to rest. The smarter people went home to get a few "winks" of sleep before they journeyed off to Dabbs, Platts Park, Sana-belle Island, Riviera Beach, and other lakes and beaches. Some of the more adventurous ones went to the Bahamas for a real weekend of fun.

The teenagers really enjoyed the fun and frolic of last week even though some had mix-ups such as ants in their pants, sun tan lotion that didn't work, life guards that wouldn't let them play football on the beach having car trouble trying to get to the beach, going to the wrong beach, almost drowning in the waves, and falling asleep and forgetting to turn over.

This will be one weekend out of the year that everyone will remember for a long time. I know I will. I'm the one that had the sun tan lotion that didn't work.

Until next year, Sunburned

### Gossiping Gandy

1. How did the mechanical drawing students enjoy their singing lessons last Tuesday?
2. There seemed to be a few senior girls with black dresses at the Banquet. Trying to be sophisticated Marilyn R. and Cherry B.?
3. It seems that Don W. has become a big lover nowadays.
4. What color tux did Tim H. finally end up with Patsy D.?
5. How was the plane trip to the Bahamas Johnny D., Sean F., Roy H. and Laura R.?
6. What kind of dance were Vic V. and Judy G. doing at the Banquet?
7. Congratulations to Jenny Moore and Francis Hoffman.
8. What's this about "Puss and Boots"? Rafael?
9. They just couldn't keep Eddie M. away from that food.
10. There was sure some fine talent at our Banquet. Thanks to Janet H., Dana L., Darlene D., Linda L. and Larry F.
11. Did you finally get that piece of tar off of Dick's back Pat F.?
12. What's this we hear about Mr. Kela raising a Tarantula in class. Could he be trying to get rid of some wild students.

### The Rambler staff is as follows:

**Co-editors** — Margie Townsend and Mickey McKee, and assistant Patsy Dooley. They laid out the annual rough draft, set up sections for editors to start, and helped all sections.

**Business Managers** — Kay Williams and Sharon Motes. These two handled all money transactions, billed all ads, and took care of all subscriptions and ads.

**Feature Department** — Marilyn Rabin and Evelyn Harris. Co-editors: John Sheehan. Assistant: Laid out and drew off page dummies for superlatives and other features such as Boys & Girls State, etc.

**Sports Department** — Nancy Norman and Pam Ingram. Co-editors: Barbara Collins. Assistant: Laid out and drew off pages for all sports, including football, baseball, basketball, track, golf, tennis, etc.

**Classes Department** — Francis Holton and Janet Connell. Co-editors: Judy Green. Assistant: Laid out the Pages for 7th through 12th grades, saw that all pictures were made, and worked on Senior section with baby pictures and activities.

**Art Department** — Joan Fortenberry, editor; Dale Henderson, assistant. Made all sketches and art work in annual, drew all ads that required it, and worked with other sections in the drawing off of pages.

**Activities Department** — Cecelia Mathis and Kay Campbell. Co-editors: Laid out all clubs, had club pictures taken, and drew off club pages.

**Cop-copy Editors** — Paula Riches and Leah Poston. Typed Pages, drew pages of any section that needed help and finished up final copy sheets.

So you can see preparing an annual for publication is quite a complicated affair. These hard-working students deserve a good hand of applause for a job well done in presenting to you, the student body of Belle Glade High, the best Rambler yet.

—Dale Henderson

### Annuals Arrive

#### Today!!

The 1964 yearbook will be presented today in a general assembly for all students. After long months of preparation, the Rambler is finally ready to be shown to the student body. Next the book will be presented to the 2 teachers to whom it is dedicated. No one knows who they are and it will be a surprise to look forward to. After other honorary presentations, the Seniors will be dismissed to receive their yearbooks before anyone else. Then the entire student body will get theirs in the designated places.

The '64 Rambler is especially good this year with several new ideas and features added to its content. For the next several weeks, students, following tradition, will be getting and giving autographs to all their friends.

### Fear Is A

#### Tarantula

A Tarantula spider. A deadly species from Central America, escaped from the Biology lab and raised havoc in Mr. Kela's 2nd period American Government class, Monday, April 20.

The Tarantula was found Friday at Kwik Check among banana boxes imported from Central America by Gene Morrison, produce manager. Brought to the school by Walter Williams, the spider was presented to Mr. Hill, the Biology teacher.

Over the weekend the spider somehow escaped from the lab and showed up Monday morning in Mr. Kela's classroom next door, causing quite a commotion. Tommy Schreiner, who had just captured the Tarantula and returned it to Mr. Hill, who immediately put in chloroform gas, was not to take any more chances.

The spider shall become a specimen in Mr. Hill's collection.

### Rams Defeat

#### Trojans

Tuesday, April 14, the Belle Glade Golden Rams baseball team rallied behind the pitching of Ed Buckner and finished the Suncoast Conference schedule with a win over Lake Worth.

The Trojans drew first blood and scored two runs. Then the Rams struck back with five. The big scoring plays were two run doubles by Ed Buckner and Charles Thompson. Belle Glade was in the lead in the last inning with a score of 6-3.

Ed Buckner produced his best effort of the season and struck out fifteen Trojans in seven innings.

### Future Teachers

#### Meeting April. 14

The Future Teachers Association held their regular meeting Tuesday, April 14, in the typing room.

Plans for the next meeting were discussed. It was decided to have each girl show her scrap book and tell of her assistant teaching experience at the next meeting which will be held Tuesday, May 12. All teachers and parents are invited to attend.

### Local Scholarship

#### Information

The sponsoring organizations are announcing the opening for application for the Glades Cooperative Educational Fund.

The Glades Cooperative Educational Fund is sponsored by various Civic organizations and Civic minded persons. It provides financial aid in the amount of \$100.00 per school year (\$50.00 per semester) for those students who qualify and enter Palm Beach Junior College.

Anyone interested may get an application form from the Guidance Office. It is asked that these forms be returned by April 25, 1964, or the application may not be accepted. There are a number of these scholarships available.

The Belle Glade High School faculty provides a scholarship of \$100.00 per semester or trimester for a qualified student who is going to study the field of teaching. Applications for this scholarship can also be acquired from the Guidance Office and the deadline for submitting them back to the office is May 15, 1964.

Seniors are urged to adhere to these deadlines if they are interested.

### Hola Amigos

Twenty eight South American Students in the "Operation Amigo" program visited Belle Glade Tuesday, April 14.

Raphael Aleman, Ofelia Sanchez, Sylvia Hernandez, George Pinon and Martha Sanchez were given as guides because of their ability to speak both Spanish and English well. They guided the visitors to local places of interest, including the Everglades Experiment Station, The Lake, Duda Farms, the Bowling Lanes, the High School, Pioneer Groves, and the Glades Sugar Mill. The students were fascinated at the operation of bagging radishes and the celery harvest.

The students expressed their appreciation for the friendly reception they received in this community and hope to visit again some day.

### Rams tie; Rams Win

With Charlie Thompson and Tony Latour pitching, the Rams tied Seacrest Friday in a 2-2 game. Off five Ram hits, Bootsy Weathers made 3 and Larry Bowen and Thompson made the other two.

Thompson was pitching strong until the fifth inning when they tied our 2-0 lead. Tony Latour finished the game after fifth inning.

Don Wilkinson started on the mound for Belle Glade Saturday morning against Ft. Myers. He pitched as though he had been pitching for years, although it was his first game.

The Rams scored first in the second inning with two points. Ft. Myers tied our 2 points in the third. Many thought it would be a repeat of Fridays game until the fifth inning when Latour hit a triple. The bases were loaded which increased the score to a 5-2 Ram lead.

Those getting hits for Belle Glade were Larry Bowen with 2, Ed Buckner with 1 and Bowen with 1. At the bottom of the ninth inning Latour relieved Wilkinson as pitcher.

### Senior Poll

Recently the seniors were asked to fill out a small questionnaire pertaining to their future plans after graduation.

When asked how many were planning to go to college, 47 said they were not, 22 were undecided, and 44 are planning to attend the following colleges: 21 to Palm Beach Jr. College, 1 to Troy or Palm Beach Jr. College, 3 to Georgia Southern, 1 to University of Florida, 1 to Auburn, 2 to Troy State College, 3 to Georgia Southern, 1 to University of Florida, 1 to Southern Methodist, 1 to Palm Beach Jr. College, 1 to Carson Newman, 1 to Tennessee Temple, 1 to Beautiful School then to Palm Beach Jr. College, 1 to University of South Florida, 2 to Florida College, 1 to Florida Presbyterian, and 1 to Palm Beach Jr. College or Vet Medical School. One student even said, "If I don't go to the University of Florida, I'll go to the woods."

Among the other schools the seniors are attending are, Jackson Memorial, music or dramatics schools, aviation school, Baptist Seminary, agricultural school, vocational school, and Air Force Academy.

When asked how many planned to marry immediately after graduation, 2 answered yes, 3 answered yes, 73 answered no, and the rest didn't answer.

The students were asked if they had a job waiting for them after graduation, 29 answered yes, 18 and 2 undecided.

These are the immediate plans for our Seniors of '64.

Smile of — Larry Bowen

### "An Enchanted

#### Evening"

Well, Seniors, our first big event before graduation is over. The banquet, prom, and pep fest were all equally wonderful!

Mr. Roy Littlefield began the banquet at 7 p.m. with the invocation. After everyone has finished the scrumptious meal of white cherries, fried shrimp, green beans, parsley potatoes, and strawberry shortcake, Mr. Morris introduced the guests. The presidents of the Junior and Senior classes gave speeches, Larry Bowen, the Junior President, presented the Junior sponsors with gifts for their help and cooperation in making their prom an excellent one. Miss Joan Fortenberry, chosen by her Senior class, sang the Senior Class Song, "My Own True Love." A quartet made-up of Wanda Lowery, Darlene Dupere, Janet Holard, and Lynda Long sang the Junior class song "Enchanted." Japanese lanterns, flowers, and favors of chopstick decorated the tables. The girls, who served were Chinese dresses which fitted into the theme of the entire prom which was of course, "Enchanted."

The gym itself was beautifully decorated. The stage had a mountain in one corner and a very authentic looking bamboo bridge with a river flowing gracefully under it. The background of the stage was blue with different designs painted faintly in bamboo shades. The north wall just preceding the shucks was a rickshaw painted on the wall. The band stood up to the left of the rickshaw. The entire east wall was covered with a magnificent black and orange mural. White grille tables were set directly in front of the mural. The teachers and other guests were seated in the south wall. The individual pictures were taken on a bench in front of a bamboo shack by Mr. Averill.

After everyone had left the prom and changed clothes, the banquet began. It was held at the Country Club this allowing the music to be as loud as possible. Many varieties of dishes, sandwiches, dips, pickles, and drinks were served. Smorgasbord. Thanks also to the Junior mothers for a successful breakfast.

The biggest thing in a Senior's world is his prom. The class of 1964 will always remember their senior prom, "Enchanted" with fond memories and sincere gratitude to all who helped make it possible. To the Senior Class of '64, "Thanks and congratulations for a job well done."

### Can You Imagine ...

Brenda Buckner never eating? Aggie Greengrass keeping quiet? Cynthia Theibaud having braids?

Ronnie Smith keeping a girl friend over a week? Debbie Lane being as tall as 5 feet?

Wayne Corbin being one of the Beatles?

Janie Harris having boys? Harry Hutto not coming his hair every chance he gets?

### Americanism vs.

#### Communism In Our Schools

At a recent P. T. A. meeting, of the course Americanism vs. Communism. The panel gave a critical analysis of the course and its usefulness to combat Communism.

The students on the panel were Mr. Halbrook, John Causy, Charles Thompson, Sharon Motes and Evelyn Harris. The topics covered in the individual speeches were the student's viewpoint of the course, the Communist Party, the Government of the U. S. S. R., and the contemporary situation.

At the close of the panel discussion a question and answer period followed. The students answered questions from the P. T. A. members and Mr. Kela on May 1 at a Rotary meeting, when the students will be guests of that club. Each citizen of this town should be concerned with the increasing danger that Communism presents. A course such as Americanism vs. Communism is one of the most powerful weapons that we have today. It needs your support.

### The Language

#### Of Vision

By Margaret O. Earwood

How do you see? How much, or how little do you see? Is your vision impaired by lack of development, or is it just plain apathy? Are you one who never looks beyond your own self-centered interest?

Just as a plant needs cultivation, the sun and rain to promote growth, so it is necessary to broaden the ability to see. The visual language to be cultivated is the ability to see with understanding, with feeling, with interest, with compassion. This is a true art. The Artist, of course, has the advantage over the average person for he looks to see. He has mastered the art of feeling.

The world around us offers us every opportunity to "open our eyes" to creation, to the beauties of nature, the blue sky with floating clouds, birds on the wing, reflections of trees in water, shadows among foliage, moonlight on water, the sunset, the rolling waves of the sea, and all life, all the everyday happenings about us; these all become a part of our visual language understanding.

The person who sees like these things orderly; he enjoys pleasant patterns. He sees disorder and wants to right it. He picks up behind the "litter bug"; he sees a vision of hell as the work of vandalism. Consideration for the rights of others is to him a habit. He exhibits understanding in his classes because he is observant. He sees his elder as one to respect. His eyes transmit to his mind visual understanding of life lived with a purpose.

All cultures have left behind a vision of the world as it was in their time. Can we as individuals rise to the accomplishments of leaving something worthy to posterity?

### FFA Attends

#### Subdistrict

The Future Farmers of America went to Okeechobee, Friday, April 17, to participate in the sub-district FFA contests. The events in which they participated were parliamentary procedure, public speaking, softball and horseshoe pitching. They won the parliamentary procedure contest and softball game and placed second in public speaking.

Laura Rogers, Belle Glade's FFA sweetheart, accompanied her boys to be in the sub-district sweetheart contest. Tammy Brunch of Pahokee won with dancing and singing talents and baton twirling.

The parliamentary procedure team and the softball team will play the next contest at Avon on May 1st and 2nd.

### "The Comedy Of

#### Errors" To Be Presented Here

The Palm Beach Junior College Players will present Shakespeare's first Comedy, "THE COMEDY OF ERRORS" in the Belle Glade High School Auditorium on Saturday, May 2. The play is being given on April 2 in Lake Worth to Celebrate Shakespeare's birthday and we are privileged to have the special performance on May 2. This is a good opportunity for everyone to commemorate the birth of Shakespeare and pay homage to a great artist.

The performance will be both entertaining and educational for Shakespearean fans!

Watch this paper for more information concerning the time and where to buy your tickets.

### Attention

#### Junior High

Well, Junior High, looks like we are going to have an article of our own. Every week there will be something in the paper about the Junior High student. We hope you like our news as the High School news. Here we go

### AROUND THE SCHOOL

**FAD** — Going to Parties

**FIGURE** — Sandy Winterrood

**PHYSIQUE** — Danny Davis

Remember and take warning all you lads and lassies! Puffy love may be the beginning of a dog's life.

### Student Of Week

If one ever sees a tall, lanky senior boy running into Mr. Hill's classroom a second before the bell is supposed to ring, one can almost be sure it is Ron Halbrook. Ron is so busy taking care of the school's problems that he barely has time to get to class on time. But our constant prove this by his grades. Ron is a member of the Beta Club and serves as this year's vice-president. He also heads the Cafeteria Committee which has done a great deal in the way of improvement for the cafeteria.

Ron is the president of the senior class and has done an outstanding job in leading his fellow classmates through this year.

Football and track are Ron's favorite sports and he participates well in each one.

Ron also writes many interesting editorials for our Rampage. His future plans include attending Florida College in Tampa.

Mr. Halbrook has a famous pet peeve—"Northerners" who don't understand the problems of the South."

### Second Act Begun

The cast for FULL HOUSE has now begun to rehearse the second act. A maid wearing jewels in her stocking and a thief trying to determine how to get them out without her knowing it of the plot. It has been rumored that John Causy will receive a bid to Hollywood for his performance as George Howell.

A little frock asked us the other day if a fellow who is crazy about electricity can be called an electric fan.

I courted Ida and Ida raved

### Always there... with your help

#### Your Red Cross

**A Job Well Done!**

Volume XXII of the Rambler will be presented, dedicated, and issued to the students and faculty of Belle Glade High by the Journalism class of '64, Thursday afternoon, April 23.

Since the contents are kept secret until presentation, few students realize how much time, effort, and money is spent on editing a yearbook.

The twenty members of the Journalism class, which also edits the Ram-Pam, had complete responsibility for the making-up of the yearbook. They worked in conjunction with Mr. LaFlam, sponsor; Mr. Morris, principal; the high school faculty; Mr. Averill, photographer; and Mr. Bins, representative from the Taylor Publishing Company.

Over half of the cost was covered by ads from various businesses in the Glades and Palm Beach areas. The remainder was furnished by the students' faculty who bought subscriptions to the Rambler. After All Ads and Subscriptions were sold, the class began the actual work on the Rambler.

**-Your Library-**

"Thou shalt not covet thy neighbor's book," This must be directed to some of us, periodically, as we cast a longing glance at one that is beautiful to see, or hold. Cardinal red linen, ornamental script, type after 'Aldus Manutius' of Venice, or plates by Rotogravure of Holland can also make us forget the adage, "Contents count." Fortunately for those who succumb to beauty, such books usually do have important content, printed between covers. That they are beautiful as well, is a credit to their designers.

**The Life And Times Of Theodore Roosevelt, Lorenz.**

Designated by the Belle Glade Library Board as a memorial to Dr. Thomas Bregger, a former member of the Board, this is a superb example of the illustrated biography. It was seventeen years in the making, and the careful research and meticulous pattern followed throughout are evident in an exceptionally handsome volume.

There are 750 black and white pictures illustrating this portrait of an era, six decades that introduced and escorted the turn of the century. It is a great deal more than a picture book, there are 640 pages in all. The narrative that connects the pictures is as forceful and colorful, as the man described in it. **The Gardens in the Royal Park at Windsor, Roper.**

The development of these gardens is of recent date; they were begun under the late King George VI, and have grown in relatively few years to be acclaimed the world's most magnificent gardens. With brilliant photographs, interspersed with anecdotes about the Royal Family's gardening habits, and much useful horticultural lore, this is another book to covet.

**A Director of Antique Furniture, Hinkley.**

A glance through this reference book will suggest why an adequate collection of such material can cost so much. Lavish in its illustrations, it was compiled by the leading furniture technologist in the country. The clearly defined photographs of actual pieces can be used to confirm, or prove erroneous, identifications that have been made of your antique furniture.

**Famous Paintings, Chase.**

Art lovers today have an advantage over their counterparts a century ago. Reproductions, such as the two hundred in this book, make us familiar with priceless originals, thousands of miles away.

It is one of several books of art in the library. The personalities of the books, as of the separate paintings they reproduce, differ. This one is especially attractive, with vivid prints, interesting commentary, and unique grouping of the pictures.

Mr. and Mrs. Herman Close presented **FAMOUS PAINTINGS** to the library as a memorial to Mr. S. L. Stewart.

**"NUTS TO OUT OF TOWN INSURANCE!"**

Probably the "CHEAPER" insurance was not so cheap after all. Better to let the local independent agency survey your exact needs sensibly and consciously. We here at Harris Insurance are proud of our record in this respect.

"Across The Street From Willys Jeep"

**do 'Jeep' families have more fun?**

**Yes, because they have the 4-wheel drive family car that's built stronger to last longer.** The Jeep® Universal takes them more places—over a span of more years than any ordinary car. Fishing spots? The more remote the better. Hunting sites? Way beyond the reach of roads. What's more, when you own a Jeep® Universal you suddenly find dozens of uses you never thought of before! See the Jeep® Universal at your Jeep® dealer's. Available with hard top or convertible top. Fully enclosed or with half top and pickup box. Wheelbases up to 101". It's the real McCoy.

**VERSATILE, POWERFUL, VIRTUALLY INDESTRUCTIBLE**

**KAISER JEEP CORPORATION**

See your Jeep® dealer and take a demonstration drive today.

**Walter Ashley's Garage**

110 S. E. Ave. E Belle Glade, Florida

See Jeep® vehicles in action in **THE GREATEST SHOW ON EARTH!**

(Tuesday 9 p. m. Channel 10 & 12)
